100 Love Sonnets (Cien Sonetos de Amor) translated by Chris Jansen. This is a contemporary rendering of a timeless classic. Full of passion, intensity, and transcendent love.

Celebrating the works of a great Chilean poet, this collection offers a vibrant translation of Neruda ' s sensual and erotic poetry. Famous for his politically engaged lyrics, the Nobel Laureate also wrote bold and sexual sonnets, and this compilation captures the spirit and verbal dexterity of the lesser-known genre. These sonnets from one of the most influential and beloved 20th-century poets accompany questions for discussion and lists of recommended readings and related websites.

Against the backdrop of Isla Negra - the sea and wind, the white sand with its scattering of delicate wild flowers, the hot sun and salty smells of the Pacific - Nobel laureate Pablo Neruda sets these joyfully sensual poems in celebration of his love.

“ The happiness I feel in offering these to you is vast as a savanna, ” Pablo Neruda wrote his adored wife, Matilde Urrutia de Neruda, in his dedication of One Hundred Love Sonnets. Set against the backdrop of his beloved Isla Negra, these joyfully sensual poems draw on the wind and tides, the white sand with its scattering of delicate wildflowers, and the hot sun and salty scent of the sea to celebrate their

love. Generations of lovers since Pablo and Matilde have shared these poems with each other, making One Hundred Love Sonnets one of the most popular books of poetry of all time. This beautifully redesigned volume, perfect for gift-giving, presents both the original Spanish sonnets and graceful English translations.

Pablo Neruda's two books - 100 Love Sonnets and Twenty Love Poems and a Song of Despair are kept in one book.

Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Nobel Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...." Written on the paradisaical island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.

Presents a bilingual edition of the Nobel Prize-winning Chilean poet's collection of

poems celebrating the beauty and nature of love and the passions, fears, pain, and anguish of human existence. Reprint. 35,000 first printing.

An irresistible story of first love, broken hearts, and the golden seams that put them back together again--soon to be an Amazon original film starring Lili Reinhart (Riverdale) and Austin Abrams (Paper Towns). Henry Page has never been in love. He fancies himself a hopeless romantic, but the love that he's been expecting just hasn't been in the cards for him--at least not yet. Instead, he's been happy to focus on finally becoming editor of his school newspaper. Then Grace Town walks into his first period class on the third Tuesday of senior year and he knows everything's about to change. Grace isn't who Henry pictured as his dream girl--she walks with a cane, wears oversized boys' clothes, and rarely seems to shower. Yet when Grace and Henry are both chosen to edit the school paper, he quickly finds himself falling for her. It's obvious there's something broken about Grace, and Henry wants nothing more than to help her put the pieces back together again. But as Henry learns, what you want may not have anything to do with what you get.

"Your lips upon my lips, and your eyes upon my eyes." —Victor Hugo Pocket Posh® 100 Classic Love Poems will absolutely warm your heart. are collected here in this celebration of romantic passion and deep abiding love. Emily Dickinson, Ralph Waldo Emerson, William Butler Yeats, Lord Byron, Keats, Wordsworth, Shelley, and other treasured poets will help you say "I love you" in a meaningful way. "If ever two were one, then surely we." —Anne Bradstreet

Writing is not always peacefully releasing. Sometimes the words haunt, keeping one awake at night until they are released on the piece of paper where they live and breath and ultimately die if not remembered. Other times they float around, forcing the author and others empathetic to relive the reasons and events which cause their creation in the first place. Sometimes the hand cannot keep up with the thoughts, they suffocate and drown one's self and turn on you. Perhaps they will come to define you. In a world where we are all whores for something or another, I gladly choose passion and words, passion in words as my fix. I hope 100 Sonnets will take you to that place you have always longed to go but have had difficulty finding. Please visit www.laynethrasher.com for more on the author.
