The precise origins of the Monte Bianco dessert, named for the highest peak in the Alps, are uncertain, though it's likely from somewhere in Piedmont or France, where it's known as Mont Blanc, or Italy's Valle d'Aosta, where it goes by Montblanc. The Savoy Dukedom unified these two regions located among the valleys of the Monte Bianco mountain range, positioned on the borders of Italy and ...

The 54 walks in this guidebook explore the popular region around Mont Blanc. These routes showcase the best mountain walking to be found on both the French and the Italian sides of the Mont Blanc massif. The 50 contrasting day walks (3-20km) range from high-level walks to easy summits, mountain huts, viewpoints and mountain lakes, as well as less strenuous valley walks. Also included are four multi-day treks: Vallorcine to Plaine Joux, Vallorcine to Servoz, the Tour of the Aiguilles Rouges and a circuit of the Italian Val Ferret. Walks are organised according to the nearest town base: St Gervais les Bains and Les Contamines, Servoz and Plateau D'Assy, Les Houches, Chamonix, Argentiere, Vallorcine and Courmayeur. Walks are Graded 1 to 3: grade 1 walks are manageable by any reasonably fit person on good, usually waymarked paths, while grade 3 routes are long, tough routes, often without waymarking, making navigation difficult: there could also be some scrambling. Additionally there is often a valley walk that can be done whatever the weather, or on rest days, with children, by bike, or as a run. All routes feature a detailed route description and mapping.

Offering a comprehensive guide to economical travel in diverse regions of the world, these innovative new versions of the popular handbooks feature an all-new look, sidebars highlighting essential tips and facts, information on a wide range of itineraries, transportation options, off-the-beaten-path adventures, expanded lodging and dining options in every price range, additional nightlife options, enhanced cultural coverage, shopping tips, maps, 3-D topographical maps, regional culinary specialties, cost-cutting tips, and other essentials.

The evidence for the Little Ice Age, the most important fluctuation in global climate in historical times, is most dramatically represented by the advance of mountain glaciers in the sixteenth and seventeenth centuries and their retreat since about 1850. The effects on the landscape and the daily life of people have been particularly apparent in Norway and the Alps. This major book places an extensive body of material relating to Europe, in the form of documentary evidence of the history of the glaciers, their portrayal in paintings and maps, and measurements made by scientists and others, within a global perspective. It shows that the glacial history of mountain regions all over the world displays a similar pattern of climatic events. Furthermore, fluctuations on a comparable scale have occurred at intervals of a millennium or two throughout the last ten thousand years since the ice caps of North America and northwest Europe melted away. This is the first scholarly work devoted to the Little Ice Age, by an author whose research experience of the subject has been extensive. This book includes large numbers of maps, diagrams and photographs, many not published elsewhere, and very full bibliographies. It is a definitive work on the subject, and an excellent focus for the work of economic and social historians as well as glaciologists, climatologists, geographers, and specialists in mountain environment.

Packed with travel information, including listings, deals, and insider tips: CANDID LISTINGS of hundreds of places to eat, sleep, drink, and feel like a local. RELIABLE MAPS for navigating Rome's seven hills or Cinque Terre's hiking paths. FOOD FESTIVALS, from Cortona's Steakfest to San Vito Lo Capo's Cous Cous Fest. LOCAL NIGHTLIFE, whether in wild Rimini or hip Milan. ITINERARIES that will bring you to the snow-capped Alps or the peak of Mt. Etna. The INSIDE SCOOP on Italy's best gelato.

Tour du Mont Blanc is the definitive guidebook for one of the most famous long-distance treks in the world. This trek circles the entire Mont Blanc massif, passing through spectacular scenery in France, Italy and Switzerland. You'll traverse high mountain passes, see stunning glaciers, pass azure lakes, wander through tranquil green valleys and alpine pastures, with snow-capped peaks visible above. Written by Tour du Mont Blanc expert Kingsley Jones, this guidebook includes unique customised timings to enable accurate itinerary planning for walkers, trekkers, fastpackers and trail runners, allowing you to plan your Tour du Mont Blanc at a pace to suit you. You'll find everything that you need to plan and undertake your Tour du Mont Blanc, including travel information, navigation, accommodation options, equipment and safety, food and drink, as well as useful extra information such as wild swimming locations and trekking tips. Together with amazing photography, the route includes clear and comprehensive directions, refreshments stops, accommodation and local points of interest, and is accompanied by bespoke 1:40,000-scale maps. Route variations are also included.

Get inspired and plan your next trip with Fodor's ebook travel guide to Venice and Northern Italy. Intelligent Planning: Discover all of the essential, up-to-date details you expect in a Fodor's guide, including Fodor's Choice dining and lodging, top experiences and attractions, and suggested itineraries. Easy Navigation for E-Readers: Whether you're reading this ebook from start to finish or jumping from chapter to chapter as you develop your itinerary, Fodor's makes it easy to find the information you need with a single touch. In addition to a traditional main table of contents for the ebook, each chapter opens with its own table of contents, making it easy to browse. Full-Color Photos and Maps: It's hard not to fall in love with northern Italy as you flip through a vivid full-color photo album. Explore the layout of city centers and popular neighborhoods with easy-to-read full-color maps. Plus, get an overview of Italian geography with the convenient atlas at the end of the ebook. Bonus Reading for the Love of Italy: In addition to the quintessential travel tips you expect in a Fodor's guide, we've included three excerpts from exceptional books about Italy. Immerse yourself in Italy with cultural insights from these top-selling authors: Frances Mayes (EVERY DAY IN TUSCANY) Beppe Severgnini (LA BELLA FIGURA) Joseph Bastianich and David Lynch (VINO ITALIANO) Explore Northern Italy: The prosperous north has Italy's most sophisticated culture and its most diverse landscape. Venice is a rare jewel of a city, and Milan and Turin are centers of commerce and style. Along the country's northern border, the mountain peaks of the Dolomites and Valle d'Aosta attract skiers in winter and hikers in summer, while the Lake District and the coastline of the Ligurian Riviera are classic summertime playgrounds. Note: This ebook edition includes photographs and maps that will appear on black-and-white devices but are optimized for devices that support full-color images.
