Beloved and bestselling author Bob Goff provides you with a year's worth of inspiring, unexpected, thought-provoking teaching that will prepare you for the day ahead. Bob Goff ' s first two books, Love Does and Everybody, Always, spent dozens of weeks each as New York Times bestsellers with their unique combination of entertaining, witty storytelling, and challenging, surprising perspectives. Now Bob is back with a year-long devotional made up of his distinctive, entertaining, deceptively profound reflections on what it means to live every day in light of the grace of God. Built on Bob's trademark storytelling and unique way of helping us to see things in a new way, Live in Grace, Walk in Love takes us through an entire calendar year of meditations on how we can step out in love and confidence in every aspect of our lives. More than a tweet, less than a blog post, these devotional readings--accompanied by Scripture--will inspire and galvanize you live a more liberated, love- and life-giving existence than you ever thought possible.

Be devoted to God with your heart and your mind. Do you look to devotional books for guidance as you seek to focus your heart on the Lord each day? If you do, you know that too often devotional material fails to engage the mind in addition to the heart. Touching stories replace the very source of lasting encouragement and strength we need each day-the truth of the Word of God. But this is never true of Dr. Martyn Lloyd-Jones's writing. Walking with God Day by Day offers brief daily devotionals that engage the mind and the heart. You will not just find spiritual nourishment in its pages; you will learn about God and the great themes of the Bible. Robert Backhouse has compiled excerpts from choice passages in the writings of Dr. Lloyd-Jones according to monthly themes. By reading this devotional, you will grow in your understanding of God and learn to apply the truth of His Word day by day.

Garrett, Michael Garrett shares with us the delightful, all-ages stories passed down from his great-grandfather and other medicine teachers. Blending his background as an Eastern Cherokee with his skills as a counselor, Michael reveals through these tales how to make sense of our experiences in life, see beauty in them, and be at peace with our choices. "Michael's blend of traditional Cherokee ways with that of science and psychology illustrates that both Native and non-Native peoples can learn to thrive together...for the betterment of all" --Native Peoples magazine

The teachings of the Native Americans provide a connection with the land, the environment, and the simple beauties of life. This collection of writings from revered Native Americans offers timeless, meaningful lessons on living and learning. Taken from writings, orations, and recorded observations of life, this book selects the best of Native American wisdom and distills it to its essence in short, digestible quotes — perhaps even more timely now than when they were first written. In addition to the short passages, this edition includes the complete Soul of an Indian, as well as other writings by Ohiyesa (Charles Alexander Eastman), one of the great interpreters of American Indian thought, and three great speeches by Chiefs Joseph, Seattle, and Red Jacket.
