Public Assistance Program Field Operations Pocket Guide

The NIOSH Pocket Guide to Chemical Hazards (NPG) informs workers, employers, and occupational health professionals about workplace chemicals and their hazards. The NPG gives general industrial hygiene information for hundreds of chemicals/classes. The NPG clearly presents key data for chemicals or substance groupings (such as cyanides, fluorides, manganese compounds) that are found in workplaces.

This best-selling brief introduction to public speaking offers practical coverage of every topic typically covered in a full-sized text, from invention, research and organization, practice and delivery, to the different speech types. Its concise, inexpensive format makes it perfect not only for the public speaking course, but also for any setting across the curriculum, on the job, or in the community. This newly redesigned full-color edition offers even stronger coverage of the fundamentals of speechmaking, while also addressing the changing realities of public speaking in a digital world. It features fully updated chapters on online presentations and using presentation software, and a streamlined chapter on research in print and online.

This best-selling brief introduction to public speaking offers practical coverage of every topic typically covered in a full-sized text, from invention, research and organization, practice and delivery, to the different speech types. Its concise, inexpensive format makes it perfect not only for the public speaking course, but also for any setting across the curriculum, on the job, or in the community. The Sixth Edition is filled with new examples, research, handy tools, and digital support to help students master the basics of public speaking in the classroom and beyond. New speeches and examples from people like Will Ferrell, Emma Watson, and students from Marjory Stoneman Douglas High School engage students in current issues, demonstrate the impact of speech, and provide successful models. Practical advice on topics like how to determine which organizational pattern to use when, how to adapt to an audience, and how to incorporate inclusive language provide easy-to-apply guidance. The book's LaunchPad has been greatly expanded with an eBook; new, professionally shot videos; unit quizzes; and a new video assessment program that makes recording video and providing instructor and peer feedback a breeze.

The best-selling brief introduction to public speaking, this succinct and inexpensive guide offers practical coverage of the material typically covered in a full-sized text — from invention, research, and organization to practice and delivery — in a concise, inexpensive format perfect for any setting across the curriculum, on the job, or in the community.

In the nearly three years since the publication of the ActivEpi companion text, the authors received several suggestions to produce an abbreviated version that narrows the discussion to the most "essential" principals and methods. A Pocket Guide to Epidemiology contains less than half as many pages as the ActivEpi Companion Text and is a stand-alone introductory text on the basic principals and concepts of epidemiology.

Communication expert and popular speaker Quentin Schultze offers a practical, accessible, and inspiring guide to public speaking, showing readers how to serve their audiences with faith, skill, and virtue. This thoroughly rewritten and expanded four-color edition has been tested and revised with input from Christian undergraduates and contains new chapters on timely topics, such as speaking for video, conducting group presentations, and engaging society civilly. A complete public speaking textbook for Christian universities, it includes helpful sidebars, tips, and appendixes. Additional resources for students and professors are available through Textbook eSources.

A Speaker's Guidebook is the best resource in the classroom, on the job, and in the community. Praised for connecting with students who use and keep it year after year, this tabbed, comb-bound text covers all the topics typically taught in the introductory course and is the easiest-to-use public speaking text available. In every edition, hundreds of instructors have helped us focus on the fundamental challenges of the public speaking classroom. Improving on this tradition, the fifth edition does even more to address these challenges with stronger coverage of overcoming speech anxiety, organizing and outlining, and more. And as the realities of public speaking change, so does A Speaker's Guidebook; the new edition also focuses on presentational speaking in a digital world — from finding credible sources online to delivering presentations in a variety of mediated formats. Read the preface.
