their fellow classmates. The eighth edition is distinguished by several new resources and updates that promote the acquisition of Italian language and culture in accordance with the National Standards for Foreign Language Education. Communicative goals are established at the start of each chapter to provide students with clearly defined objectives as they work through the content, while skill-building strategies and interactive activities help them achieve those goals. The all-new Regioni d'Italia section establishes a thematic thread that is maintained

The Old Man and The Cat is a story of how Nils Uddenberg, retired Professor of Psychology became a beloved cat-owner even though he had never wanted a pet of any kind. One winter morning the author discovered a cat—whom he would later find was homeless—sitting outside his bedroom window, staring at him with big yellow eyes.

Slowly but surely the cat worked itself into his life. This award-winning writer who has a background in psychology could not stop himself from going deeper into the cat's inner life. Does she have a sense of humor? Is it possible to attach human feelings to her? And the trickiest question of all: Is our little cat actually interested in our attachment to her? With humor and self-awareness, Nils describes how his existence changed after the cat moved into his house. The feelings she stirs up are a surprise to him and he quickly finds himself falling in love with

The Life and Work of Rosalba
Carriera (1673-1757): The
Queen of Pastel is the first
extensive biographical
narrative in English of
Rosalba Carriera. It is also
the first scholarly
investigation of the
external and internal
factors that helped to
create this female painter's
unique career in eighteenth-

artist. This book contributes a new, in-depth analysis of the interplay between society's expectations, generally accepted codices for gendered behaviour, and one single female painter's astute strategies for achieving success, as well as autonomy in her professional life as a famed artist. Some of the questions that the author raises are: How did Carriera manage to build up her career? How did she run her business and organize her own workshop? What kind of artist was Carriera? Finally, what do her self-portraits reveal in terms of
