An Irish Country Courtship -- the fifth book in Patrick Taylor's New York Times bestselling Irish Country series Barry Laverty is settling in to Ballybucklebo, but with only a few more months before he becomes a full partner in Dr. O'Reilly's medical practice, an unexpected romantic reversal gives him second thoughts. Is tending to routine coughs and colds all he wants from life? Doctor Fingal Flahertie O'Reilly has personal upheavals as well. After mourning his deceased wife for decades, he's found a new love. But the budding courtship is not going over well with the doctors' housekeeper, who fears having her position usurped by O'Reilly's new flame. Meanwhile, life goes on in Ballybucklebo, and the two doctors will need all of their combined wit and compassion to put things right--just in time for their lives to change forever.

An Irish Country Practice is the twelfth heartwarming installment in New York Times and Globe and Mail bestselling author Patrick Taylor's beloved Irish Country series. Once, not too long ago, there was just a single Irish country doctor tending to the lively little village of Ballybucklebo: Doctor Fingal Flahertie O'Reilly. Now his thriving practice is growing by leaps and bounds. Not only has O'Reilly taken a new trainee under his wing, Doctor Connor Nelson, he's also added a spirited Labrador puppy to his ever-expanding household at Number One Main Street. Meanwhile, his trusted partner, young Doctor Barry Laverty, finds himself wondering if he's truly ready to settle down and start a family with his lovely fiancée, Sue. As the doctors cope with domestic and professional challenges, they also look after their patients and their ailments, including a mysterious cough, a housewife whose frequent “accidents” may have a disturbing cause, and a respected colleague who might be succumbing to an old vice. All is not sickness and worry, however. There's plenty of joy and merriment to be found as well, from a visiting circus to racing to sailing . . . and maybe even a happy ending or two.

The author of An Irish Country Doctor offers a story of the early life of his beloved character Kinky Kincaid, who was once known as Maureen O'Hanlon, a farmer's daughter growing up in the hills and glens of 1920s County Cork, Ireland, who had a gift for seeing fairies, spirits and the dreaded Banshee. Reprint. 200,000 first printing.

Barry Laverty, a recent medical school graduate, jumps at the chance to join a rural practice in Ballybucklebo, Northern Ireland, until he meets his boss Dr. O'Reilly, a difficult older physician with his own way of doing things.

Resolving to handle his usual round of eccentric patients before marrying his sweetheart, Dr. O'Reilly helps clear the name of a pigeon-hunting cat and encourages a promising student while his assistant, Barry, considers a romance with a politically outspoken teacher.

Disappointed to learn that his sweetheart will not be joining him for a first holiday season in a rural Irish community, doctor Barry Laverty busies himself by caring for his patients and struggling to outmaneuver the manipulations of a newly arrived quack physician. Reprint.

Patrick Taylor's devoted readers know Doctor Fingal Flahertie O'Reilly as a pugnacious general practitioner in the quaint Irish village of Ballybucklebo. Now Taylor turns back the clock to give us a portrait of the young Fingal--and show us the pivotal events that shaped the man he would become. In the 1930s, fresh from a stint in the Royal Navy Reserve, and against the wishes of his disapproving father, Fingal O'Reilly goes to Dublin to study medicine. Fingal and his fellow aspiring doctors face the arduous demands of Trinity College and Sir Patrick Dun's Hospital. The hours are long and the cases challenging, but Fingal manages to find time to box and play rugby--and to romance a fetching, gray-eyed nurse named Kitty O'Hallorhan. Dublin is a city of slums and tenements, where brutal poverty breeds diseases that the limited medical knowledge of the time is often ill-equipped to handle. His teachers warn Fingal not to become too attached to his patients, but can he truly harden himself to the suffering he sees all around him--or can he find a way to care for his patients without breaking his heart? A Dublin Student Doctor is a moving, deeply human story that will touch longtime fans as well as readers who are meeting Doctor Fingal O'Reilly for the very first time. For decades, ever since the war, Number One Main Street, Ballybucklebo, has housed O'Reilly and his practice. In recent years, it has also opened its doors to O'Reilly’s wife, Barry Laverty, and a new addition to the practice, Doctor Nonie Stevens, a sultry and occasionally prickly young woman who may not be fitting in as well as she should. It is to Number One that patients young and old come when they need a doctor’s care, for everything from the measles to a rare and baffling blooddisease. An

unexpected turn of events threatens to drive O'Reilly from his home for good, unless the entire village can rally behind their doctor and prove that love really can conquer all.
