Beryl Cook began to paint during the 1960s and became a local phenomenon in Cornwall, England where she lived with her family, but it wasn't until 1975 that she first exhibited her work. Her appeal was classless and she rapidly became Britain's most popular artist. She was

Beryl Cook's place deep in the heart of the British public is long-standing . Her humour, playfulness, subtlety and perceptiveness have guaranteed her position as Britain's most enduringly popular artist. Saucy and shy, risqué
