~~If the devil exists, where is he? Is he really in a place called hell?If so, where is that?This well-researched book exposes all the facts about the devil. Topics include the origins of hell, where the Christian devil was borrowed from, why the church needed a (bad guy) to represent evil, what the words devil and hell really meant in the Old Testament, (endless punishment) and its devastating effects, the devil's twin brother(God, and why God was the author of evil according to the Bible. These and other startling facts are found in this work. Don't accept the reality of the devil blindly. Read this book and decide for yourself if he exists!Excerpt:Are you, or have you ever been a believer in the doctrine of future endless punishment? And did you ever tremble with fearful apprehension that you might be irrevocably doomed to a life of interminable woe beyond the tomb? Did you ever shudder at the horrible thought, that either yourself or some of your dearest friends might possibly, in "the day of accounts, " be numbered among those who are to receive the terrible sentence, "Depart from me, ye cursed, into everlasting fire, prepared for the Devil and his angels?" Matt xxv:41. Were you ever tormented and goaded with such fearful forebodings as these, and haunted with them day and night, for weeks and months together, if no during lone and tedious years, as thousands of believers in the Christian faith have been in all ages of the Church? Or were you ever present during a "religious revival", to witness the priest remove (in imagination) the cover from Hell's burning mouth (that blazing, "bottonless pit," whose lurid flames of fire "ascended up forever and ever"), and did you hear him depict to a terror-stricken audience the awful fate of the countless millions of the "doomed, damned souls" of the underground world?End excerpt~~

~~This study shows how the Satan of the New Testament became the modern day personification of evil.~~

~~For centuries the figure of Satan has incarnated absolute evil. Existing alongside more intellectualist interpretations of evil, Satan has figured largely in Christian practices, devotions, popular notions of the afterlife, and fears of retribution in the beyond. Satan remains an influential reality today in many Christian traditions and in popular culture. But how should Satan be understood today? "The Quest for the Historical Satan excavates cultural, historical, religious, and morally constructed productions of evil within Christianity, from myth and legend to the complex ways people conjure the embodiment of evil and harm. De La Torre and Hernández are engaging sleuths as they carefully examine Satan's conception and his presence in modernity and through the ages. The wrestle with the spiritual notions of God and Evil and justice and injustice.-Cheryl A. Kirk-Duggan Professor of Theology and Women's Studies Shaw University Divinity School~~

~~This book is written for millions of people who have been taught to fear the myths of Satan and Hell, and millions of others who reject the concepts and wish reassurances. When a Lutheran groom and his lovely Harvard-educated bride stood before me, would she eventually go to Hell because she is a Hindu and not a Christian? Is there really a Satan and a Hell, and is our Creator that cruel? It was then that Donald Emmel began his intensive study of the myths of Satan and Hell. Emmel's research reveals that through misunderstandings and mistranslations we have ended up with a cranky, punishing Creator that is not in the Hebrew canon, nor the Gospels, nor the authentic letters of Paul. Emmel concludes that Jesus and Paul retained the Hebrew canon's concepts of hassatan as an adversary working with God, and sheol and gehenna as places of death. In explaining our world today, we must not fly in the face of the vast scientific knowledge, which we utilize but which the ancient mythmakers did not. The ancient myths of Satan as a destructive god, and Hell as punishment for sinners, no longer have validity in the world we now embrace and should therefore be eliminated from our theologies.~~
