Introduction to Unmanned Aircraft Systems is the editors' response to their unsuccessful search for suitable university-level textbooks on this subject. A collection of contributions from top experts, this book applies the depth of their expertise to identify and survey the fundamentals of unmanned aircraft system (UAS) operations. Written from a nonengineering civilian operational perspective, the book starts by detailing the history of UASs and then explores current technology and what is expected for the future. Covering all facets of UAS elements and operation—including an examination of safety procedures and human factors—this material gives readers a truly complete and practical understanding of what it takes to safely operate UASs for a variety of missions in the National Airspace System. Topics covered include: The U.S. aviation regulatory system Certificate of authorization process UAS for geospatial data Automation and autonomy in UAS Sensors and payloads With helpful end-of-chapter discussion questions, this resource is designed to give beginning university students and other new entrants to the field a comprehensive, easy-to-understand first overview of the field. The book's broad scope also makes it useful as a foundation for professionals embarking on further study.

Sharing your kitchen concoctions on your personal food blog has never been as popular as it is right now, but if you've ever had trouble getting your tasty temptations to look like pretty plates on camera, you know how difficult it can be to take amazing pictures of food. Matt Armendariz, of Mattbites food blog fame, shares his experiences and best practices for creating wonderful food photos in Focus On Food Photography for Bloggers. Written specifically for you the blogger, Matt discusses the ins and outs of equipment, lighting, composition, propping, sparking your inspiration, and getting creative, all with what you have on hand at home! Learn how to avoid common pitfalls with foods that are notoriously camera shy, how to successfully snap your dinner at a restaurant as well as on your kitchen table, and how to style your food with what you have in your cupboards. He also includes advice on post-processing, posting, and protecting your prized images. As well as on his blog, Matt's photography has been featured in The Skinny Bitch Cookbook, on Martha Stewart, Paula Deen's Best Dishes, and Gordon Ramsay's Hell's Kitchen, along with numerous food magazines and newspapers. Let this seasoned blogger give your food photography the boost it needs to really make your readers salivate!
