The third novel in Serena Valentino's (Fairest of All, Beast Within) "VILLAINS" trilogy, featuring the story of the Little Mermaid from the perspective of the sea witch Ursula

Solomon Northup was born a free black man. He was kidnapped, tortured, and sold into slavery. For 12 years, he was kept in bondage as a slave in Louisiana--Twelve Years a Slave is his moving and raw account of survival and life as a slave. This edition includes the full book as well as a comprehensive companion with historical notes, character overview, themes overview, and chapter summaries.

King of Heists is a spellbinding and unprecedented account of the greatest bank robbery in American history, which took place on October 27, 1878, when thieves broke into the Manhattan Savings Institution and stole nearly \$3 million in cash and securities—around \$50 million in today's terms. Bringing the notorious Gilded Age to life in a thrilling narrative, J. North Conway tells the story of those who plotted and carried out this infamous robbery, how they did it, and how they were tracked down and captured. The robbery was planned to the minutest detail by criminal mastermind George Leonidas Leslie—a society architect and ladies' man whose double life as the nation's most prolific bank robber led him to be dubbed

the "King of the Bank Robbers." The New York Times proclaimed the 1878 heist "the most sensational in the history of bank robberies in this country." An absorbing tale of greed, sex, crime, betrayal, and murder, *King of Heists* blends all the richness of history with the thrills of the best fiction.

Soon to be a major motion picture starring Michael Shannon, Winona Ryder, with Ray Liotta and Chris Evans He was smart, merciless, and deadly. And it took someone just as tough to bring him down. A mob contract killer known as "The Iceman" for hiding a body in an ice-cream truck freezer, Richard Kuklinski boasted a personal body count of more than a hundred victims. Using guns, knives, poison, ice picks, tire irons, baseball bats, and bombs, the family man from New Jersey killed for fun, for money, to cover up his own crimes, and to satisfy his inner rage. Law enforcement officials knew all about Kuklinski and had a list of his victims, but couldn't get near him—until undercover agent Dominick Polifrone posed as a mobster and began a deadly game of cat and mouse. In this harrowing true-crime account, Anthony Bruno delves into the mind of a cold-blooded killer, chronicling the Iceman's grisly crimes and probing the bizarre dynamics of Agent Polifrone's dangerous liaison with him. For as Polifrone carefully built up a case against Kuklinski, he knew he was running out of time—because the Iceman was planning to kill him too. "Bruno puts his writing talents to white-knuckle use with a tight focus on a killer with no human feelings." *Kirkus Reviews* "Excellent . . . [re-creates] the tension and stress Polifrone experienced in fulfilling his risky undercover assignment." *Publishers Weekly*

A new, full-color edition of David Dunlap's iconic 2015 history and architecture text, which chronicles the history of the historic seaside town of Provincetown, Massachusetts through its architecture.

The Historical Dictionary of Horror Cinema traces the development

of the genre from its beginnings to the present. This is done through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries.

A celebration of the prolific comic-book artist includes an interview with Lee and more than 500 of his color illustrations, as well as pencil sketches, featuring Batman, Superman, WildC.A.T.s, Divine Right, Deathblow and more, in a book that includes an all-new cover by Lee and an all-new eight-page comic strip written by Paul Levitz with art by Lee.

This book anticipates virtually every antitrust issue you can expect to face, including: horizontal and vertical restraints; joint ventures; private treble damage actions; price fixing; and more.

An inspiring story of survival and our powerful bond with man's best friend, in the aftermath of the nation's most notorious case of animal cruelty. Animal lovers and sports fans were shocked when the story broke about NFL player Michael Vick's brutal dog fighting operation. But what became of the dozens of dogs who survived? As acclaimed writer Jim Gorant discovered, their story is the truly newsworthy aspect of this case. Expanding on Gorant's Sports Illustrated cover story, *The Lost Dogs* traces the effort to bring Vick to justice and turns the spotlight on these infamous pit bulls, which were saved from euthanasia by an outpouring of public appeals coupled with a court order that Vick pay nearly a million dollars in "restitution" to the dogs. As an ASPCA-led team evaluated each one, they found a few hardened fighters, but many more lovable, friendly creatures desperate for compassion. In *The Lost Dogs*, we meet these amazing animals, a number of which are now living in loving homes, while some even work in therapy programs: Johnny Justice participates in Paws for Tales, which lets kids get comfortable with reading aloud by reading to dogs; Leo spends three hours a week with cancer patients and troubled teens. At the
