James Redfield's bestselling adventures into metaphysical mysteries, self-discovery, and spiritual enlightenment, featuring both The Celestine Prophecy and The Tenth Insight together in this special edition. You begin your quest with The Celestine Prophecy, a parable that reads like a gripping adventure tale. Here you discover that an ancient Peruvian manuscript has disappeared. Although few Westerners know of its existence and a government wants to suppress it, this precious document contains an important secret: the nine Insights the human race is predicted to grasp as we enter an era of true spiritual awareness. To find the manuscript, you will journey high into the Andes mountains and into the deepest places of the self. When the last of the nine Insights is revealed to you, you will have an exciting new image of human life, and a positive vision of how we will save this planet, its creatures and its beauty. But one Insight will still be missing... Now journey to an old-growth forest deep in the Appalachian Mountains to continue your adventure in search of The Tenth Insight. It is a trip that will take you through portals into other dimensions, to memories of past experiences and other centuries, to the moment before our conception and through to the passage of death and what comes after. And back on Earth, you will see the fear of the future that is endangering Earth's spiritual renaissance, and you will struggle to overcome this fear by exploring the nature of intuition, synchronicity, and visualization. With words that resonate with our deepest intuitions and illuminate both the world outside us and within us, James Redfield offers us all a unique, revelatory, and ultimately joyful vision of human spirituality. One that could change your life-and perhaps the world.

THE #1 BESTSELLING INTERNATIONAL PHENOMENON - NOW WITH A NEW PREFACE You have never read a book like this before--a book that comes along once in a lifetime to change lives forever. In the rain forests of Peru, an ancient manuscript has been discovered. Within its pages are 9 key insights into life itself -- insights each human being is predicted to grasp sequentially; one insight, then another, as we move toward a completely spiritual culture on Earth. Drawing on ancient wisdom, it tells you how to make connections among the events happening in your life right now and lets you see what is going to happen to you in the years to come. The story it tells is a gripping one of adventure and discovery, but it is also a guidebook that has the power to crystallize your perceptions of why you are where you are in life and to direct your steps with a new energy and optimism as you head into tomorrow. Praise for The Celestine Prophecy "A gripping adventure story filled with intrigue, suspense, and spiritual revelations." - Commonwealth Journal "A spiritual classic...a book to read and reread, to cherish, and to give to friends." - Joan Borysenko, PhD, author of Fire in the Soul "In his inimitable style of great storytelling, Redfield opens us up to a world of insight, inspiration, synchronicity, and power." - Deepak Chopra

The adventure that began with The Celestine Prophecy continues as the action shifts to a wilderness in the American Southeast where the narrator's friend has disappeared.

On December 21, 2012, the Mayan calendar will end. Many see it as an apocalyptic sign. But is it? In The Twelfth Insight, the long-awaited fourth book in the beloved Celestine Series, we again follow our Hero and his close friend Wil. They have just received a portion of another ancient and mysterious manuscript that describes a secret approach to spirituality that is silently arriving in the second decade of the 21st Century. But the manuscript is only available in fragments. To understand its full meaning for mankind, our Hero and Wil begin an urgent search to find the message in its entirety. As they embrace the power of Synchronicity and begin their search, they are confronted by powerful political forces and religious extremists that stand in the way of these spiritual revelations. Utilizing what he calls the "parable effect," and based on his own sources, James Redfield explores the similarities and differences that exist among the world religions, revealing the essential messages contained within them that can energize our experience of spirituality-- and produce a new wave of integrity and reform that can transform our lives and our world.

In this step-by-step guide James Redfield begins his exploration of the emerging interest in spirituality around the globe. Beginning with a survey of the most common synchronistic experiences, he shows how those interested in broadening their spiritual perception can actually experience for themselves the shifts in consciousness that are changing the human world. Described as the most direct explanation of the new world vision presented in the phenomenally successful Celestine fiction series, this fascinating and illuminating book reveals the author's inside view of how we are discovering the transcendent in our everyday existence and interpreting our individual synchronicity to find our destined purpose in life. Based on James Redfield's own experiences and those reported to him from every corner of the world since the writing of The Celestine Prophecy and The Tenth Insight, this book describes the first-hand growth techniques Celestine fans everywhere are looking for - perfectly setting the stage for the next remarkable book in the Celestine series, The Eleventh Insight.

Based on his personal experiences, the author of "The Celestine Prophecy" and "The Tenth Insight" shares his vision for--and explains how to achieve--a new era of global peace and understanding.

In a world racked by violence and conflict, James Redfield and Michael Murphy—leading cocreators of today's spiritual boom—present a message of hope and a vision for the future. It is no accident, they argue, that the twentieth and early twenty-first centuries have witnessed a revolution in new human capacities. Daily we hear and read about supernormal athletic feats; clairvoyant perception; lives transformed by meditative practices; healing through prayer--and we ourselves experience these things. The authors contend that thousands of years of human striving have delivered us to this very moment, in which each act of self-development is creating a new stage in planetary evolution—and the emergence of a human species possessed of vastly expanded potential.

Continuing the exciting adventures of The Celestine Prophecy and The Tenth Insight, this new book takes you to the snow-covered Himalayas, in search of the legendary Tibetan utopia of Shambhala. As you follow a child's instructions, are pursued by hostile Chinese agents, and look for a lost friend, you will experience a new awareness of synchronicity...and discover, hidden among the world's highest mountains, the secrets that affect all humanity. For Shambhala not only actually exists, but is destined to be found in our time--and will reveal powerful truths that can transform the world.
