For more than 40 years, Computerworld has been the leading source of technology news and information for IT influencers worldwide. Computerworld's award-winning Web site (Computerworld.com), twice-monthly publication, focused conference series and custom research form the hub of the world's largest global IT media network.

A captivating and lucid narrative of America's revolutionary generation, Jefferson's America takes the reader from the earliest rumblings of colonial dissent, through the crises of revolution and nation-making, to the heroic drama of the War of 1812. Risjord deftly weaves together strands of biography and social history with military and political history to depict the rich fabric of the young republic.
