This is no ordinary textbook. With its revamped design, highly visual features, and concise coverage, the second edition of Essential Communication is a practical, interactive guide for students. Exercises and self-quizzes help students reflect on their own communication patterns and improve their skills. Focused on the fundamentals, every element of this text helps students become better communicators online, in person, at home, and at work.

Real Communication uses stories from real people and the world around us to present the best and most lively introduction to communication concepts. Professors and students alike have fallen in love with Real Communication ' s down-to-earth writing style, its coverage of research, and its wealth of learning and teaching tools. They also appreciate how Real Communication strives to weave the discipline ' s different strands together with the CONNECT feature that shows students how concepts work and apply across interpersonal, small group, and public speaking contexts. The Second Edition is even better with a broader array of engaging examples, new coverage of hot topics in the field like Intercultural and mediated communication, plus a public speaking unit honed to provide the essential information students need for this fast-paced course. Whether you want a traditional paperback, an e-Book — online or downloadable to a device — a looseleaf edition, or the book within the new HumanCommClass, Real Communication has an option for you. Read the preface.

A longtime favorite with millions of readers, LOOKING OUT, LOOKING IN, 15th Edition maintains its market-leading tradition of linking the latest research and theory to learners' everyday lives. Its accessible approach motivates readers to learn and apply communication principles in both personal relationships and on the job. Expanded emphasis on social media includes an all-new chapter devoted to the role of mediated communication in interpersonal relationships as well as integrated coverage throughout the book. In addition, diverse examples, new readings, compelling cartoons, lively photos, and popular culture references bring principles to life. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Updated in its eleventh edition, The Media of Mass Communication engages readers in the pursuit of greater media literacy and provides accessible insight into the important issues that confront students as consumers and purveyors of mass media. Through exceptional coverage of contemporary media issues and trends, including the on-going transformations in mass media, this text balances the principles and foundations of media literacy with lively examples, streamlined coverage, and a robust media package.

Communication Matters: Because great communicators are made, not born. Through Communication Matters ' highly interactive program, students learn that our instincts aren ' t as good as we think they are and develop the skills needed to become effective communicators. The program prompts students to question their assumptions, helps them to move beyond their personal daily communication experiences, and challenges them to think critically about why and how they communicate in the ways they do. Connect for Communication Matters, Second Edition, reflects our increasingly diverse, interactive, and digital world by using hands-on features. Through an interactive eBook, a suite of student videos for public speaking, and dynamic online activities, students are urged to consider which choices are likely to be effective and which less so. LearnSmart, McGraw-Hill ' s adaptive learning system, assesses students ' knowledge of course content and maps out personalized study plans for success. The result: Students are able to internalize core communication principles, adapt their communication behavior more effectively, and actively apply those strategies to all aspects of their lives.

Written by leading scholar and award-winning teacher Julia T. Wood, INTERPERSONAL COMMUNICATION: EVERYDAY ENCOUNTERS, 8e relates theory and skills directly to students' everyday interactions as it delivers a solid introduction to interpersonal communication. Completely up to date, the new Eighth Edition integrates the latest communication research, including findings from more than 125 new sources. Reflecting the author's expertise in gender and social diversity, the text includes an unparalleled focus on diversity. The new edition also features increased coverage of social media and an expanded emphasis on ethical choices. It addresses such timely issues as emotional intelligence and forgiveness, interracial relationships, safe sex, ways to deal with abuse from intimates, race-related differences between conflict styles, and the power of language. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Provides guidance for learning to interact effectively with others, includes group exercises, a self-discovery questionnaire, and role playing activities to teach both verbal and nonverbal communication techniques.

Engages students with lively and accessible insights into interpersonal skill development Interpersonal Messages creates a foundation for students to understand the concepts of interpersonal communication and to develop the necessary skills to apply what they have learned through comprehensive coverage, exercises, and real life examples. With a focus on skill-building, this text helps today's students understand how to master interpersonal communication and relationship skills in every area of their personal, social, and professional lives. MyCommunicationLab is an integral part of the DeVito program. Key learning applications include MediaShare, assessment and sample speeches. This best-selling brief introduction to public speaking offers practical coverage of every topic typically covered in a full-sized text, from invention, research and organization, practice and delivery, to the different speech types. Its concise, inexpensive format makes it perfect not only for the public speaking course, but also for any setting across the curriculum, on the job, or in the community. This newly redesigned full-color edition offers even stronger coverage of the fundamentals of speechmaking, while also addressing the changing realities of public speaking in a digital world. It features fully updated chapters on online presentations and using presentation software, and a streamlined chapter on research in print and online.

Choices & Connections shows students that communication is an opportunity to connect their words and actions to their choice of who they want to be and what kind of community they want to live in. Every element in the text is designed to engage students in the study of communication and help them become resilient, confident, and culturally conscious communicators. Choices & Connections helps students integrate and apply the most current scholarly research through scenario activities, real-life situations, and pop-culture examples designed to recursively develop communication skills best learned through practice, in context. The third edition has been extensively revised to ensure that all students' perspectives are represented. The coverage of gender communication has been overhauled, with a reimagined Chapter 3 on "Understanding Gender and Culture." The mediated communication chapter has also been heavily revised with the latest research.
