## Privacy, government credentials, and business secrets have been revealed easily by wiki-leaks and omnipresent social media. However more than goodness of this kind of improvements and economic development, evil sides of digital divide, trolls, fake accounts, propaganda, social engineering and dirty information has been emerged like thorns to roses. I have aimed to add value to the area by putting a systematic, integrative and disciplined approach to the reality of cyber-capitalism which is a new mode of production and socio- technological relations that

of new and popular ideologies, such as feminism and ecologism, and a revival of others, notably liberalism. The upheavals of the early 1990s have initiated fresh debate amongst major thinkers on the nature of ideology, much of it however hostile or polemical. "Modern Political Ideologies" examines in an objective scholarly manner the evolution of key political ideologies and assesses their impact and development during the 20th century. This volume is essential reading for all students of politics, and indeed anyone who has an interest in current events

U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the
