Main topics concern following directions, finding your way around, making wise purchases, managing money, and finding, landing, and keeping a job - so the book is stuffed with things like directions for product assembly and operation, maps, advertisements, checkbook registers, and job applications. Students learn to decipher the wide variety of written materials we all encounter in daily life with 60 ready-to-reproduce documents accompanied by reproducible activity sheets. Well-suited for ESL, ELL, and adult education. Answer keys. Illustrated. Grades 6-9. 248 pages.

First Published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

An easy to use guide for adults.

Get students in grades 3-4 reading with Reading: Daily Skill Builders. This 96-page book features two short, reproducible activities per page and includes enough lessons for an entire school year. It covers topics such as author's purpose, context clues, character analysis, comparing and contrasting, main idea, fact and opinion, diagrams, and summarizing. Frequent reviews provide practice in a standardized test format, the activities align with state standards, and the book includes a matrix for selected states.
