We all want our families to sleep well – especially our children. If your little ones get scared when the lights go out, installing a nightlight into their room can make them feel more secure, and sleep better. Perfect for bedrooms or hallways, you can either hang nightlights to the wall, have them freestanding on the floor, or opt for a plug in night light depending on where your sockets are.

Natural daylight combined with the right brightness and spread of light. Positioning the lamp exactly where the light is needed. We create contemporary lamps that look and work perfectly in your home or professional environment

Moonlight is really sunlight! Did you know that the moon doesn't make its own light? Instead, it receives light from the sun and reflects it to us on the Earth. Read and find out about how the sun, the stars and light bulbs make light so we can see. Did you know that moonlight is really sunlight? The moon can't make its own light, so it receives light from the sun and then sends it to us here on the Earth. Any child who's ever wondered about the fascinating properties of light will want to read this classic science title. Readers will even learn how fast light can travel: from the moon to the Earth in less than three seconds! Veteran science author Franklyn M. Branley's lively text and Stacey Schuett's new illustrations combine fun facts and hands-on activities in this accessible introduction to the science of light. Did you know that moonlight is really sunlight? The moon can't make its own light, so it receives light from the sun and then sends it to us here on the Earth. Any child who's ever wondered about the fascinating properties of light will want to read this classic science title. Readers will even learn how fast light can travel: from the moon to the Earth in less than three seconds! Veteran science author Franklyn M. Branley's lively text and Stacey Schuett's new illustrations combine fun facts and hands-on activities in this accessible introduction to the science of light.

Discusses the properties of light, particularly its source in heat.

Night Light's quotations, reflections, and simple prayers ease the loneliness, fear, and anxiety that can burden our nights so we can wake up and meet each new day refreshed and inspired. Remember how

comforting it felt, as a child, to fall asleep with a night-light glowing in the dark? Our Night Light is a collection of meditations that helps us remember how our Higher Power is like a comforting, ever-present light in our lives. These nightly readings can help us learn to trust the spiritual light within us for strength, comfort, and guidance.

Discusses the properties of light, particularly its source in heat.

A deeply panoramic tour of the night, from its brightest spots to the darkest skies we have left. A starry night is one of nature's most magical wonders. Yet in our artificially lit world, three-quarters of Americans' eyes never switch to night vision and most of us no longer experience true darkness. In *The End of Night*, Paul Bogard restores our awareness of the spectacularly primal, wildly dark night sky and how it has influenced the human experience across everything from science to art. From Las Vegas' Luxor Beam -- the brightest single spot on this planet -- to nights so starlit the sky looks like snow, Bogard blends personal narrative, natural history, science, and history to shed light on the importance of darkness -- what we've lost, what we still have, and what we might regain -- and the simple ways we can reduce the brightness of our nights tonight.

A terrifying species of legend that exists in shadow and thrives in night, preying on and intriguing an unsuspecting modern worldÉ An amoral, clandestine government operation that uses whatever means necessary to inflict maximum damage upon one of the most frightening and demonized forces humanity has ever encounteredÉ And all of mankind is threatened by the chain of events set in motion by this unrestrained conflict, and the ripple effects of a new element to the hostilities will forever alter the rules of engagement....

'Accompanied by NASA photographs and Dorros's colorful, lively drawings, the text explains the Earth's rotation in clear and simple terms. An experiment using a lamp as the 'sun' further clarifies the principles introduced.' —BL.

Special deluxe LeatherLike edition with ribbon—perfect for a wedding or anniversary gift! Whether you're just married or are celebrating your golden anniversary, you need regular, quiet moments with your mate—times to renew love and intimacy with each other and with the Lord. *Night Light*, by Dr. James Dobson and his wife, Shirley, will help you do just that. This daily devotional offers the personal, practical, and biblical insights that have sustained the Dobsons' marriage for fifty years and encouraged couples and families around the world. Let *Night Light* enrich your marriage too—tonight and every night.

Manda's Aunt Ruby helps her to deal with some angry feelings by making lists of all the things that they like in the world.
