The Infinite Plan is different than Allende's other works: the protagonist, Gregory Reeves, is male and the setting is not in South America but in the United States. In addition, Allende attempts to cover broad historical time periods in the United States: the aftermath of World War II; the hippie movement of the 1960s and 1970s in Berkeley, California; the Vietnam War; and the materialistic ...

~~The Infinite Plan by Isabel Allende - Goodreads~~

Historia de grandiosa concepción, El plan infinito recrea medio siglo de la sociedad norteamericana en la vida de su protagonista. Con ternura e impecable factura literaria, Isabel Allende perfila el destino de sus personajes como parte indisoluble del destino colectivo de un continente marcado por el mestizaje, las injusticias sociales y la búsqueda de la propia identidad.

El universo ya conocido de Isabel Allende se amplía en La Ciudad de las bestias con nuevos elementos de realismo mágico, aventura y naturaleza. 5 out of 5 stars; Una historia de fantasía y aventura. By federnais2000 on 11-06-19 La Ciudad de las Bestias [The City of the Beasts] By: Isabel Allende. El cuaderno de Maya [Maya's Notebook] By: Isabel Allende Narrated by: Catalina Muñoz Length ...

Es su primera novela situada en los Estados Unidos y con personajes norteamericanos. Es la saga de un hombre que, durante los largos años de su juventud y madurez, busca amor y aceptación. Allende traza la pobreza y abandono de la niñez de su protagonista, la persecución de las pandillas de un barrio de Los Angeles, el horror de sus experiencias en Vietnam, su vida como abogado en San Francisco--una serie de frustraciones que por fin se resuelven en acogida y redención.

Summer Reissues with P.S. The engrossing story of one man's quest for love and for his soul from bestselling author Isabel Allende, now available with P.S. Isabel Allende's first novel to be set in the United States and to portray American characters, *The Infinite Plan* is a vivid tale of one man's search for love, and his struggle to come to terms with a childhood of poverty and neglect. As he journeys from the Hispanic barrio in Los Angeles to the killing fields of Vietnam to the frenetic life of a lawyer in San Francisco, Gregory Reeves loses himself in an illusory and wrongheaded quest. Only when he circles back to his roots does he find the love and acceptance he has been searching for.

"Narra la historia de Gregory Reeves, un gringo que se hace a si mismo en el difícil mundo de los hispanos de California. Gregory quiere llevar a la práctica el peculiar "Plan Infinito" que se trazó a si mismo en su infancia. Sin embargo, para conseguirlo debe recorrer un duro camino lleno de obstáculos: la marginación social, el racismo, el brutal contraste entre riqueza y pobreza, la guerra de Vietnam,...."

Rose Pastor arrived in New York City in 1903, a Jewish refugee from Russia who had worked in cigar factories since the age of eleven. Two years later, she captured headlines across the globe when she married James Graham Phelps Stokes, scion of one of the legendary 400 families of New York high society. Together, this unusual couple joined the burgeoning Socialist Party and, over the next dozen years, moved among the liveliest group of activists and dreamers this country has ever seen. Their friends and houseguests included Emma Goldman, Big Bill Haywood, Eugene V. Debs, John Reed, Margaret Sanger, Jack London, and W.E.B. Du Bois. Rose stirred audiences to tears and led strikes of restaurant waiters and garment workers. She campaigned alongside the country's earliest feminists to publicly defy laws against distributing information about birth control, earning her notoriety as "one of the dangerous influences of the country" from President Woodrow Wilson. But in a way no one foresaw, her too-short life would end in the same abject poverty with which it began.

From the New York Times bestselling author of *The House of the Spirits*, Isabelle Allende, comes a passionate tale of one young woman's quest to save her lover set against the chaos of the 1849 California Gold Rush. Orphaned at birth, Eliza Sommers is raised in the British colony of Valparaíso, Chile, by the well-intentioned Victorian spinster Miss Rose and her more rigid brother Jeremy. Just as she meets and falls in love with the wildly inappropriate Joaquín Andieta, a lowly clerk who works for Jeremy, gold is discovered in the hills of northern California. By 1849, Chileans of every stripe have fallen prey to feverish dreams of wealth. Joaquín takes off for San Francisco to seek his fortune, and Eliza, pregnant with his child, decides to follow him. As Eliza embarks on her perilous journey north in the hold of a ship and arrives in the rough-and-tumble world of San Francisco, she must navigate a society dominated by greedy men. But Eliza soon catches on with the help of her natural spirit and a good friend, the Chinese doctor Tao Chi'en. What began as a search for love ends up as the conquest of personal freedom. A marvel of storytelling, *Daughter of Fortune* confirms once again Isabel Allende's extraordinary gift for fiction and her place as one of the world's leading writers.

For the first time in trade paperback, this collection, narrated by one of Allende's most memorable characters, magnificently illustrates the universal themes and evocative ideas that have made the author a leading voice in contemporary fiction.

Under the aegis of the Goddess of Love, Isabel Allende uses her storytelling skills brilliantly in *Aphrodite* to evoke the delights of food and sex. After considerable research and study, she has become an authority on aphrodisiacs, which include everything from food and drink to stories and, of course, love. Readers will find here recipes from Allende's mother, poems, stories from ancient and foreign literatures, paintings, personal anecdotes, fascinating tidbits on the sensual art of food and its effects on amorous performance, tips on how to attract your mate and revive flagging virility, passages on the effect of smell on libido, a history of alcoholic beverages, and much more. An ode to sensuality that is an irresistible blend of memory, imagination and the senses, *Aphrodite* is familiar territory for readers who know her fiction.

Newly Reissued New York Times Bestselling Author "Beautiful and heartrending. . . . Memoir, autobiography, epic, perhaps even some fiction: they are all here, and they are all quite wonderful." "Los Angeles Times When Isabel Allende's daughter, Paula, became gravely ill and fell into a coma, the author began to write the story of her family for her unconscious child. In the telling, bizarre ancestors appear before our eyes; we hear both delightful and bitter childhood memories, amazing anecdotes of youthful years, the most intimate secrets passed along in whispers. With Paula, Allende has written a powerful autobiography whose straightforward acceptance of the magical and spiritual worlds will remind readers of her first book, *The House of the Spirits*.
