Confined to their dreary castle while mourning their mother's death, Princess Azalea and her eleven sisters join The Keeper, who is trapped in a magic passageway, in a nightly dance that soon becomes nightmarish.

Come and mend your broken hearts here. In this retelling of the classic tale "The Twelve Dancing Princesses," the eldest princess must fight to save her family—and her heart—from an ancient dark magic within the palace walls. "Full of mystery, lush settings, and fully orbed characters, Dixon's debut is both suspenseful and rewarding."—ALA Booklist Just when Azalea should feel that everything is before her—beautiful gowns, dashing suitors, balls filled with dancing—it's taken away. All of it. And Azalea is trapped. The Keeper understands. He's trapped, too, held for centuries within the walls of the palace. So he extends an invitation. Every night, Azalea and her eleven sisters may step through the enchanted passage in their room to dance in his silver forest, but there is a cost. The Keeper likes to keep things. Azalea may not realize how tangled she is in his web until it is too late. "Readers who enjoy stories of royalty, romance, and magic will delight in Dixon's first novel."—Publishers Weekly Supports the Common Core State Standards

What if the world holds more dangers—and more wonders—than we have ever known? And what if there is more than one world? From Heather Dixon, author of the acclaimed Entwined, comes a brilliantly conceived adventure that sweeps us from the inner workings of our souls to the far reaches of our imaginations. Jonathan is perfectly ordinary. But then—as every good adventure begins—the king swoops into port, and Jonathan and his father are enlisted to find the cure to a deadly plague. Jonathan discovers that he's a prodigy at working with a new chemical called fantillium, which creates shared hallucinations—or illusions. And just like that, Jonathan is knocked off his path. Through richly developed parallel worlds, vivid action, a healthy dose of humor, and gorgeous writing, Heather Dixon spins a story that calls to mind The Night Circus and Pixar movies, but is wholly its own.

A retelling of The Nutcracker Ballet with a dash of The Pied Piper. But all that changes on Christmas Eve, when Clara receives a mysterious and magical nutcracker. Whisked away to his world—an enchanted empire of beautiful palaces, fickle fairies, enormous rats, and a prince—Clara must face a magician who uses music as spells...and the future she thought she wanted.
