With examples and cross-references throughout, the monumental, easy-access AMA Handbook of Business Writing is an indispensable desktop reference for every business professional. --Book Jacket.

Introduces a new approach to bodybuilding that uses a series of brief weight training exercises, and offers advice on nutrition and workout schedules

"Adobe Photoshop CSX: Photographers' Guide" is aimed squarely at those who want to creatively use photography to produce compelling images and who want to master all the tools available to them. The emphasis of this approach is on both traditional and leading-edge photographic techniques, and how to reproduce or enhance them in Photoshop CSX. Readers don't need to be ace photographers or Photoshop experts to create these eye-catching effects. All that's needed is this straightforward, "all-meat" book that shows how to use Photoshop CSX to enhance images with the kinds of effects people admire. This book includes a companion Web site with all of the example files and sample filters. David D. Busch is a seasoned author, photographer, and image-editing guru. The author's expertise, along the functionality of the software and the precise and easy-to-follow information this book has to offer makes this the perfect combination from which to learn this exciting and vastly growing technology.

The first important fictional treatment of the werewolf theme in English literature, this Victorian thriller traces Wagner's blood-soaked trail through 16th-century Italy in a gothic feast of murder and intrigue.

Editorial Reviews "This series is a MUST READ. " -United Indie Book Blog Synopsis Newly divorced from his greedy and deceptive first wife, Dallas McCray is convinced he wants a sweet country girl like his sister-in-law. So why is he lusting after the new veterinarian in town, striking New Jersey transplant Annie DeSimone? Also divorced, Annie yearns to leave her difficult past behind and start a new life in beautiful Colorado. Sparks fly between her and the handsome Dallas, and happiness finally seems within reach. But attraction and emotion aren't always enough...especially when a man has vowed never to make the same mistake twice.

Growing up, Pat Brown had two dreams: to play baseball and to attend college. She was told she couldn't play baseball because she was a girl and couldn't attend college because she had no money, but in spite of the obstacles, she achieved both of these dreams, playing for the All-American Girls Professional Baseball League in 1950 and 1951 and going on to attend college. She is among the few women professional baseball players to be included into the National Baseball Hall of Fame. "As the only former AAGPBL player to have written about the League," Brown says, "I feel like I have finally pitched my no hit game." This is a memoir of playing baseball on the sandlot, discovering and playing in the AAGPBL, and playing basketball in college. Brown shares her thoughts on the League's history, including what Philip K. Wrigley sought to do by creating the AAGPBL, what happened after Wrigley left to give more attention to the Chicago Cubs, and why the League ended. She also considers the future for women's professional baseball. Interviews with such former AAGPBL players as Helen Hannah Campbell, Patricia "Pat" Courtney, Madeline "Maddy" English, Lenora "Smokey" Mandella, Jacqueline "Jackie" Matsou, Jane Moffet, Mary "Sis" Moore, and Janet "Pee Wee" Wiley are included.

"An intriguing dark psychological thriller--truly brilliant!" --Lisa Jackson I have a gardener's inherent belief in the natural order of things. Soft-petaled flowers that go to seed. The resolute passage of the seasons. Swallows that fly thousands of miles to follow the eternal summer. Children who don't die before their parents. When Kate receives a phone call with news that Rosie Anderson is missing, she's stunned and disturbed. Rosie is eighteen, the same age as Kate's daughter, and a beautiful, quiet, and kind young woman. Though the locals are optimistic--girls like Rosie don't get into real trouble--Kate's sense of foreboding is confirmed when Rosie is found fatally beaten and stabbed. Who would kill the perfect daughter, from the perfect family? Yet the more Kate entwines herself with the Andersons--graceful mother Jo, renowned journalist father Neal, watchful younger sister Delphine--the more she is convinced that not everything is as it seems. Anonymous notes arrive, urging Kate to unravel the tangled threads of Rosie's life and death, though she has no idea where they will lead. Weaving flashbacks from Rosie's perspective into a tautly plotted narrative, The Bones of You is a gripping, haunting novel of sacrifices and lies, desperation and love. "Unusual and haunting." --Library Journal "Suspenseful and poignant." --Publishers Weekly "A compelling debut." --Woman and Home "A star in the making." --The Daily Mail
