"Her simplicity is an achievement, hard-won and remarkable, and the more welcome in a literary world where the cloak of omniscience is all too readily donned."—The New York Times Book Review

Translated from the Italian by Judith Woolf. A brilliant new translation of a classic by one of Italy's finest writers.

Arguably one of Italy's greatest contemporary writers, Natalia Ginzburg has been best known in America as a writer's writer, quiet beloved of her fellow wordsmiths. This collection of personal essays chosen by the eminent American writer Lynne Sharon Schwartz from four of Ginzburg's books written over the course of Ginzburg's lifetime was a many-years long project for Schwartz. These essays are deeply felt, but also disarmingly accessible. Full of self-doubt and searing insight, Ginzburg is merciless in her attempts to describe herself and her world—and yet paradoxically, her self-deprecating remarks reveal her deeper confidence in her own eye and writing ability, as well as the weight and nuance of her exploration of the conflict between humane values and bureaucratic rigidity.

From one of Italy's greatest writers, a stunning novel "filled with shimmering, risky, darting observation" (Colm Tóibín) After WWII, a small Italian town struggles to emerge from under the thumb of Fascism. With wit, tenderness, and irony, Elsa, the novel's narrator, weaves a rich tapestry of provincial Italian life: two generations of neighbors and relatives, their gossip and shattered dreams, their heartbreaks and struggles to find happiness. Elsa wants to imagine a future for herself, free from the expectations and burdens of her town's history, but the weight of the past will always prove unbearable, insistently posing the question: "Why has everything been ruined?"

"Ginzburg's marriage to Leone Ginzburg, who met his death at the hands of the Nazis for his anti-fascist activities, and her work for the Einaudi publishing house placed her squarely in the center of Italian political and cultural life. But whether writing about the Turin of her childhood, the Abruzzi countryside where her family was interned during World War II, or contemporary Rome, Ginzburg never shied away from the traumas of history - even if she approached them only indirectly, through the mundane details and catastrophes of personal life."--Jacket.

Natalia Ginzburg (1916-1991) is today recognized as one of the foremost woman writers to emerge from twentieth-century Italy. The Complete Short Stories of Natalia Ginzburg brings together in English translation for the first time the eight short stories that Ginzburg wrote between 1933 and 1965. These early works are significant in the context of Ginzburg's wider repertoire. The key themes and ideas occurring therein would come to characterize much of her later work, particularly in terms of her exploration of the difficulties implicit in developing and sustaining meaningful human relationships. Her short stories also provide intriguing insight into the development of her trademark literary style. Including an introduction by the translator and extensive contributions from Alan Bullock, Emeritus Professor of Italian at the University of Leeds, The Complete Short Stories of Natalia Ginzburg encourages a deeper understanding of Ginzburg's life's work and compliments those other collections and individual works which are already widely available in English.

From “one of the most distinguished writers of modern Italy” (New York Review of Books), a classic novel of society in the midst of a war. This powerful novel is set against the background of Italy from 1939 to 1944, from the anxious months before the country entered the war, through the war years, to the allied victory with its trailing wake of anxiety, disappointment, and grief. In the foreground are the members of two families. One is rich, the other is not. In *All Our Yesterdays*, as in all of Ms. Ginzburg’s novels, terrible things happen—suicide, murder, air raids, and bombings. But seemingly less overwhelming events, like a family quarrel, adultery, or a deception, are given equal space, as if to say that, to a victim, adultery and air raids can be equally maiming. *All Our Yesterdays* gives a sharp portrait of a society hungry for change, but betrayed by war. During the period described in the novel, Natalia Ginzburg was married to the writer Leone Ginzburg. Because of his underground activities, he was interned under Mussolini’s reign, along with his family, in a restricted area in the Abruzzi. When the Ginzburgs later moved to Rome, Leone was arrested and tortured by the fascists, and killed, leaving Natalia alone to raise her three children.
