Fierce Angels Lilith and her Harem Series, Book 2 Written by: May Dawson

When I'm resuscitated after a car accident, my second chance at life comes with a gift. I can hear the dead.I'm struggling to figure out my new life as a psychic. I'm trying to figure out my new feelings for my best friend since second grade, Jax. And I'd like to pass my freshman year of college, too.And then the Hunters show up. Rough Luke and gorgeous Mave. It doesn't take a psychic to tell those boys are trouble. They're trying to stop the November murders. A girl disappears from campus every November, and they believe she's being taken by a murderous poltergeist. They can't speak to the dead. They need me. Most of all, the women on our campus, and the ghosts of the dead girls, need me. I can't let them down. I hunt the ghost.And then the ghost hunts me. If I can trust Jax and these Hunters to have my back, we might all survive.But how can I ever reconcile these two worlds? I long for life with Jax, simple and sweet. And I crave the chance to use my gifts, with these two Hunters by my side. When you come back from the dead, how do you learn to live again?

They say men like a lady in the living room and a whore in the bedroom. I never knew the sentiment was reciprocal. Until I met Jax Knight. A gentleman in public, a commanding, dirty talking rogue in the bedroom. Daughter of legendary fighter "The Saint," Lily St. Claire knows firsthand how fighters can be. As the owner of a chain of MMA gyms, she's no stranger to aggressive, domating, and possessive men. That's why she's always kept her distance. But the day Jax Knight walks through her door she's captivated by his charm. Stuningly handsome, well mannered, Ivy League educated, and confident, he shatters all the preconceived notions she'd come to think were true about men who trained to fight. But falling for someone so soon after her breakup wasn't something she'd planned on. And definitely not something her ex plans to allow.

When I fell, I fell hard after refusing to choose between good and evil, high or low, Heaven or Hell. I was exiled and fell from my pedestal and landed in a cesspit that was Earth. Stripped of my wings, and left with only two of the five gifts that I was gifted with from Him, I've been forced to live my immortal life amongst the humans.Make no mistake, as much as a punishment for choosing neither side this was supposed to be, it's become my sanctuary, my haven. Although a disaster when I landed, Earth has become my home, a place where I can blend with the humans, live my endless life moving from one place to another.That is until my home is invaded by four angels, all hell bent on making me to choose a side. They're in for a sure surprise when they realise my choice will forever and always be the same: humanity. A foreign concept to any angel. Well, any angel but me, it seems.Yes, humanity have their flaws, but so do I. I'll choose my perfectly imperfect life, and there's not a damn thing any angel can do to change that.So, yeah, I fell hard. But I fell for the flaws of being human even harder.*This is a Reverse Harem novel! #whychoose*Recommended 18+ due to mature language and situations.

I always imagined Death's final kiss would be cold. It wasn't. Four years later, I can still remember the exact shade of his skin: a blue so pale it looked like moonlight. I dream of his touch. Mostly, I paint the man under the heavy cowl, including those perfect lips which ruined mine for anyone else. I'm obsessed with him. The doctors say he's nothing more than a hallucination caused by a mixture of head trauma and emergency pain medications. I think he's a really sexy figment of my imagination. I mean, who besides an artist would dream up the Grim Reaper for their hero?Now, something's changed and my drawings are taking on a life of their own. As if college wasn't hard enough, trying to keep this a secret is going to be impossible. Keeping my sanity might be worse. And that's not the worst of my problems.Death is back. He wants another kiss.And he's not alone.The Kiss of Death is a 156,000 word, full-length novel with NO cliffhanger ending. This is a Reverse Harem series which includes multiple love interests, some m/m themes, and graphic scenes of sex, violence, and language. Be warned: everything you thought you knew about the world, religion, and death will be pulled apart, twisted around, and put back together in ways you will not expect.

They think I'm half angel and half human. They think I have no magic. They think because I grew up in the human world I'm clueless about what to expect at Seraphim Academy. They're wrong. I'm not half human, I'm half demon - and this little succubus has come to play. My brother vanished from Seraphim Academy without a trace, and I'll do whatever it takes to find him, including infiltrating the school myself. Even if it means going up against my brother's best friends, who know something about his disappearance and aren't talking. They may be angel royalty, but if they think they can intimidate me into leaving the school, they're wrong. There's also the problem of the delicious professor who knows my secret. He's hiding something too, and I'm going to find out what it is. But I'll have to be careful, because if anyone finds out I'm part demon? I won't just get kicked out of Seraphim Academy - I'll be dead. *Seraphim Academy is a college-age reverse harem romance with all characters 21+ and plenty of heat!*

What do a heartless Dragon Shifter, a cold-blooded Basilisk, an arrogant Lion Shifter and a brooding, tattooed Harpy have in common...? Me. Elise Callisto. Vampire. Angel of vengeance. And a girl on a mission to destroy one of them for murdering my brother. I just don't know which one did it yet. When I kicked the ass of a Werewolf who was high on a new and dangerous drug called Killblaze, his final words painted a dark reality for me. The King of Aurora Academy killed my brother. The trouble is, there's four kings at that school and each of them have motive and cutthroat natures. Aurora Academy isn't a place for the faint of heart. To put it lightly, my town is the asshole of Solaria where the dodgiest Fae in the kingdom reside. The school itself is divided by the two gangs who run this town, The Lunar Brotherhood and the Oscura Clan. And guess what? Two of the kings run the gangs at the school, their hatred for each other so fierce I hear a day doesn't go by without blood being spilled in the halls. I might be a petite, lilac-haired girl who looks like a fragile doll, but they haven't been introduced to my fangs yet. And they don't know why I'm really here. Or that I'll do whatever it takes to bring down the Fae who took my flesh and blood from me. I don't believe in fate, but I do know this... the King who killed my brother is a dead man walking. And I'm prepared to sacrifice my heart, body and soul to ensure I get my revenge. This is a reverse harem series set in the world of Zodiac Academy four years before the Vega Twins were Awakened. Expect some character cross-over, dark and hot romance, and a twisted murder mystery which will leave your head spinning.

Ending a war makes her a savior to some... but a target to others. Video-gamer Jolie Bernardo hadn't planned on ending a war when she moved to Jinla, but, fate stepped in and thrust her into the path of four sexy princes. Now her dream to make a name for herself in the video game community is threatened, as Others are out for her blood. When the four princes of Jinla inadvertently forge a bond with her, it draws and binds them to one another. Unfortunately for them, it now means abandoning their chances of pursuing females to focus on keeping her alive. But with a new battle on the horizon, Jolie will have to choose between her heart... and her life.

Why be good when being bad is just so much more fun?Before you read my story, you need to prepare yourself. I'm not some damsel in distress in search of her Prince Charming. I'm not a girl looking to settle down, and most of all, I'm not someone who can be controlled. No, I do the controlling around here. My name is Angel and I'm the devil's daughter. I know, right? He must have had a lot of fun with that name choice. But you know what? I kinda like it now. Anytime people see the distinctive markings on my skin or hear my name dropped, they run for the damn hills. Why? Because I'm a weapon. I kill whomever I want, whenever I please and there is nothing anyone can do about it. Not even dear old Dad. When opportunity knocks and I'm given the perfect chance to catch a ride out of Hell, I don't think twice. Only the Nephilim who let me tag along with them have no clue who I really am. But when they realize just who they've brought to Earth, that's when the real fun begins. Kiara Arrio is on the run and dying when four tall, dark, and gorgeous strangers find her in a crumpled heap along the road to the hospital she was desperately trying to reach. The small herd of stag shifters are immediately drawn to the injured woman, taking over her care as she recovers from her illness. They're entranced by Kiara's strength, her sass, and her sweetness, and do their best to woo her, hoping to claim her for their own. There's just one problem: Kiara already has a mate. And she certainly didn't run away from one only to find herself with four more. ***** Night of the Wild Stags is a steamy standalone shifter Reverse Harem Romance, HEA guaranteed, set in Golden Angel's Big Bad Bunnies world.
