Manual. It is important to underline the fact that these conferences have contributed significantly to the growth of national associations for pattern recognition in the Iberoamerican region, all of them as members of the International Association for Pattern Recognition (IAPR). This year, the forum attracted participants from 34 countries (8 from Iberoamerica), who submitted a total of 182 papers. After a serious reviewing process in which all the submissions were double-blind reviewed by at least two prestigious reviewers, 93 papers by 180 authors from 29
