environment, and find simple and compelling methods to filter and convey news content? One of the most effective ways is to use dynamic infographics and data visualisations. The use of powerful graphics and illustrations will capture the viewer's attention and interest, and by burying boring data creatively, strong graphics will provide a clever and compelling visual story that's driven by accessible and clear communication. This book introduces the developmental history and characteristics of data journalism, describing its classification and the features of journalism published by world-renowned media. It focuses on the design and production of data journalism, explaining the

basic elements of design, common design methods and includes showcase designs from the simple to the very complex. This volume helps show how and where to find opportunities to use creative graphics and illustrations, including hand-painted illustrations. This book is a must-have for professional designers and design students, or those readers who are interested in compelling visual storytelling through design.

Fifteen-year-old Ben Warner is dizzy with boredom working at his local fish and chips shop. One evening, a young woman saunters in and, between mouthfuls of chips, invites him to visit her in the World of Ideas. Ben is excited, but suspicious. The World of Ideas is

the philosopher's quarter of the afterlife, and adorable Lila has been residing there for thirty years, but being dead is just the start of her problems. Lila's boss, Socrates, President of the World of Ideas for the last 2,109 years, has made a bet with his rival, Wittgenstein, that philosophy can improve your life. If Socrates loses he cedes the presidency to his crabby nemesis. For the wager, they choose Ben as their unwitting guinea pig, and Lila's mission is to prove to him that his life-annoying sisters, adolescent blues, smarmy boss and all-can be changed fundamentally for the better through philosophy. So begins a mind-bending guided tour through the big questions in life. When is orange not orange? Do we have free will?

Bingo Grabbins is a soddit who enjoys a comfortable life (apart from his feet, of course). But his contentment is disturbed when the wizard, Gandef, and a company of bizarrely Welsh dwarves drag him away on an adventure. They have a plot to raid the treasure hoard (or so they say) guarded by Smug, a

large and very tedious dragon. Bingo is reluctant to take part in this insane venture, but a dwarven dagger held to his throat soon surprises even himself and off the companions go on a quest that seems truly epic (well, until you read about what later happened to Bingo's cousin, at any rate). Oh, and Bingo finds this ring thing...

Explains the author's system of how faith can heal past suffering, empower the present, and enliven the future.

Professional psychic Abigail Cooper is used to dealing with skeptics, but even she's ready to cry "uncle!" when she's forced to work with a true non-believer bent on proving her a fraud. Business has been frustratingly slow for Abby who needs any new commission she can get, even if it means agreeing to a job with the FBI that puts her at the center of an internal political struggle between two powerful agents, one of whom is the flinty lead investigator and confirmed skeptic Brice Harrison. Abby's skills are continually tested - along with her patience - as she works to convince Harrison that she's not only the real deal, but can help him locate three college teens who've mysteriously disappeared. Abby's intuition

tells her these are no random abductions—and foresees another victim being kidnapped. To get to the bottom of the case, she and Harrison will have to put their differences aside and work together to find the connection between the missing kids. And to do that, Abby will have to win Harrison over, while keeping her psychic eye wide open.

Frank Kozic is one of the leading rock artists of his generation. His work has graced hundreds of posters, flyers and album covers, and his originals are held by some of the foremost collectors of contemporary rock art. His posters are colourfully ironic admixtures of pop permutations.
