player. With a picture of each product and a description and analysis to go alongside, you'll discover not only just what you're looking for but items you'd never imagined existed: waterproof headphones and cases (good for depths up to 10 feet), a remote control with an FM radio built in, a international AC adapter, an iPod-docking alarm clock, and more—much more. Get this guide and start exploring!

iPodpedia is the first book to show you everything that the iPod and iTunes have to offer—from music to movies and beyond. Whether you want to get the most out of your iPod's music playback, create your own playlists, edit your music info and album art, convert your home movies and DVDs to iPod videos, listen to audiobooks
