HELL'S PRINCESS THE MYSTERY OF BELLE GUNNESS, BUTCHER OF MEN by Harold Schechter · RELEASE DATE: April 1, 2018 In this depraved story of sex, deception, greed, and murder, a veteran true-crime writer offers the first definitive history of Belle Gunness (circa 1859-1908), the most prolific female serial killer in American history.

HELL'S PRINCESS | Kirkus Reviews

Schechter's new book, " Hell's Princess: The Mystery of Belle Gunness, Butcher of Men ," recounts the tale of Gunness, a Norwegian woman who immigrated to the United States in 1881 and became one of the country's most infamous serial killers. Although the exact number of her victims is not known, experts say she murdered 14 to 24 people.

What Really Happened to Belle Gunness, Serial Killer and ...

And true to the author's title, the ending proved to be a mystery indeed. It was very intriguing how this overweight, homely woman, had the ability to attract men, marry them, then murder them, sometimes before even consumating the marriage. It also seems Belle killed more people than just her spouses.

PRINCESS ANNE has a remarkable connection to the mystery of what happened to Russia's lost crown jewels after the Bolshevik revolution of 1917. By Tom Evans PUBLISHED: 00:01, Mon, Nov 23, 2020

In the pantheon of serial killers, Belle Gunness stands alone. She was the rarest of female psychopaths, a woman who engaged in wholesale slaughter, partly out of greed but mostly for the sheer joy of it. Between 1902 and 1908, she lured a succession of unsuspecting victims to her Indiana "murder farm." Some were hired hands. Others were well-to-do bachelors. All of them vanished without a trace. When their bodies were dug up, they hadn't merely been poisoned, like victims of other female killers. They'd been butchered. Hell's Princess is a riveting account of one of the most sensational killing sprees in the annals of American crime: the shocking series of murders committed by the woman who came to be known as Lady Bluebeard. The only definitive book on this notorious case and the first to reveal previously unknown information about its subject, Harold Schechter's gripping, suspenseful narrative has all the elements of a classic mystery--and all the gruesome twists of a nightmare.

The truth behind the twisted crimes that inspired the films Psycho, The Texas Chain Saw Massacre, and The Silence of the Lambs... From "America's principal chronicler of its greatest psychopathic killers" (The Boston Book Review) comes the definitive account of Ed Gein, a mild-mannered Wisconsin farmhand who stunned an unsuspecting nation--and redefined the meaning of the word "psycho." The year was 1957. The place was an ordinary farmhouse in America's heartland, filled with extraordinary evidence of unthinkable depravity. The man behind the massacre was a slight, unassuming Midwesterner with a strange smile--and even stranger attachment to his domineering mother. After her death and a failed attempt to dig up his mother's body from the local cemetery, Gein turned to other grave robberies and, ultimately, multiple murders. Driven to commit gruesome and bizarre acts beyond all imagining, Ed Gein remains one of the most deranged minds in the annals of American homicide. This is his story--recounted in fascinating and chilling detail by Harold Schechter, one of the most acclaimed true-crime storytellers of our time.

An account of a brutal triple homicide in an exclusive neighborhood in Depression-era New York draws on archival records to profile the killer, a brilliant but deeply disturbed young sculptor, while documenting the nationwide manhunt, tabloid scandals and courtroom dramas surrounding the case. 20,000 first printing.

A battle between Heaven and Hell unleashes a massive tsunami headed straight for England. In response, God imbues devout priest John McClain with supernatural power that can stem the tide and save his country. In the aftermath, McClain finds himself wrapped up in the pursuit of the unborn child of twenty-four-year-old nun turned movie star Annabelle Smithson, who is on the run from the forces of good and evil. McClain takes her under his wing and works to win her and her child to the side of God. But Annabelle has a dark secret: her child may in fact be the daughter of darkness. Annabelle dies in childbirth, leaving McClain as steward for young Tabitha, who is swayed to the forces of evil led by Satanist Paul Hart and his secret occult society. To defeat the newly crowned Princess of Darkness, McClain must decide whether he is willing to sacrifice his own life to make way for an avenging angel sent by God.

"A great read and a fascinating retelling of a long-forgotten murder, that still resonates to this very day.. for anybody interested in the history of the Silk City!" --Mark S. Auerbach, City Historian, Passaic, New Jersey At the dawn of the 20th century, the social unrest in Paterson, New Jersey was palpable. Thousands of Dutch and Italian immigrants flocked to the city, hoping for a job in Paterson's famous silk mills. The burgeoning population ushered women into the workplace, grew suffragist sympathies, and produced an anarchist movement. In this charged environment, Jennie Bosschieter, a 17-year-old Dutch immigrant and mill worker, was murdered. Sorrow turned to shock when four wealthy, influential citizens were accused of killing her. The resulting criminal trial held the city - and eventually the nation - transfixed.

A medieval pilgrim harbours murderous intentions towards the King. Can Prioress Eleanor stop him before it's too late? Prioress Eleanor of Tyndal is on a pilgrimage, looking for peace and respite, when rumours spread that King Edward is on his way, seeking God's blessing for his recent invasion of Wales. Lurking in this sacred place, however, is an assassin with murderous treason in mind. When a nun falls to her death from the priory bell tower, is it a tragic accident, or a sign of what's to come? Although far away from the gossipy village of Tyndal, Eleanor, like a medieval Miss Marple, must use all her wit, wisdom and insight to unravel the clues to the case. But can Eleanor expose the killer in their midst, or will she too fall victim to one who has made a covenant with hell?

FROM SOCIAL OUTCAST TO NECROPHILE AND MURDERER -- HIS APPALLING CRIMES STUNNED AN ERA. San Francisco, the 1920s. In an age when nightmares were relegated to the fiction of Edgar Allan Poe and distant tales of the Whitechapel murders, a real-life monster terrorized America. His acts of butchery have proved him one of history's fiercest madmen. As an infant, Earle Leonard Nelson possessed the power to unsettle his elders. As a child he was unnaturally obsessed with the Bible; before he reached puberty, he had an insatiable, aberrant sex drive. By his teens, even Earle's own family had reason to fear him. But no one in the bone-chilling winter of 1926 could have predicted that his degeneracy would erupt in a sixteen-month frenzy of savage rape, barbaric murder, and unimaginable defilement -- deeds that would become the hallmarks of one of the most notorious fiends of the twentieth century, whose blood-lust would not be equaled until the likes of Henry Lee Lucas, John Wayne Gacy, and Jeffrey Dahmer. Drawing on the "gruesome, awesome, compelling reporting" (Ann Rule) that is his trademark, Harold Schechter takes a dark journey into the mind of an unrepentant sadist -- and brilliantly lays bare the myth of innocence that shrouded a bygone era.
