Former Punjab chief minister Amarinder Singh called Congress leaders Rahul Gandhi and Priyanka Gandhi Vadra "inexperienced" and also threatened to pit a strong candidate against state party chief ...

The papers in this volume are a selection from those presented at the 3rd International Conference on Historical Linguistics (ICHL), held in 1977 at the University of Hamburg. These selected papers deal with a wide variety of issues, some from a more general-theoretical perspective, some deriving new theoretical insights from language data ranging from Ojibwa to Old-Saxon.

The studies in this volume are revised versions of a selection from the papers presented at the Fourth International Conference on Historical Linguistics, held at Stanford University on 26 – 30 March 1979. Papers at this conference, and in this volume, treat aspects of all current topics in historical linguistics, including topics

that are only recently considered relevant, such as acquisition, structure, and language use.

A major voice in late twentieth-century philosophy, Alan Donagan is distinguished for his theories on the history of philosophy and the nature of morality. The Philosophical Papers of Alan Donagan, volumes 1 and 2, collect 28 of Donagan's most important and best-known essays on historical understanding and ethics from 1957 to 1991. Volume 1 includes essays on Spinoza, Descartes, Bradley, Collingwood, Russell, Moore, and Popper, as well as two previously unpublished papers on the history of philosophy as a discipline, and on Ryle and Wittgenstein's nature of philosophy. Linked by Donagan's commitment to the central importance of history for philosophy and his interest in problems of historical understanding, these essays represent the remarkable scope of Donagan's thought.

Once again, the State of Arkansas has adopted An Arkansas History for Young People as an official textbook for middle-level and/or junior-high-school Arkansas-history classes. This fourth edition incorporates new research done after extensive consultations with middle-level and junior-high teachers from across the state, curriculum coordinators, literacy coaches, university professors, and students themselves. It includes a multitude of new features and is now full color throughout. This edition has been completely redesigned and now features a modern format and new graphics suitable for many levels of student readers.
