This poignant memoir by Noah Lederman, the grandson of Holocaust survivors, transports readers from his grandparents' kitchen table in Brooklyn to World War II Poland. In the 1950s, Noah's grandparents raised their children on Holocaust stories. But because tales of rebellion and death camps gave his father and aunt constant nightmares, in Noah's

adolescence Grandma would only recount the PG version. Noah, however, craved the uncensored truth and always felt one right question away from their pasts. But when Poppy died at the end of the millennium, it seemed the Holocaust stories died with him. In the years that followed, without the love of her life by her side, Grandma could do little more than mourn. After college, Noah, a travel writer, roamed the world for fifteen months with just one rule: avoid Poland. A few missteps in Europe, however, landed him in his grandparents' country. When he returned home, he cautiously told Grandma about his time in Warsaw, fearing that the past would bring up memories too painful for her to relive. But, instead, remembering the Holocaust unexpectedly rejuvenated

Together, they explored the memories—of Auschwitz and a half-dozen other camps, the Warsaw Ghetto Uprising, and the displaced persons camps—that his grandmother had buried for decades. And the woman he had playfully mocked as a child became his hero. I was left with the stories—the ones that had been hidden, the ones that offered catharsis, the ones that gave me a second hero, the ones that resurrected a family, the ones that survived even death. Their shared journey profoundly illuminates the transformative power of never forgetting.

Focusing on firsthand narratives from survivors and supported by contextual scholarship, Gilbert presents a masterful cross-section of the experiences of the millions of European Jews who lost their homes, careers, families, and lives at the hands of Hitler ' s " Final Solution. " The accounts of these journeys are at once unique and unified by both their tragedy and by their triumphs. Gilbert ' s vast knowledge on the subject, coupled with his frank and readable style, makes Final Journey accessible to readers and scholars alike. The text is supported by eighty-four photographs—many of which were published for the first time in 1979—and twenty-four pages of

and boundless joy. Born into a Hassidic Jewish family in Poland in 1924, Mendek grew up surrounded by extreme anti-Semitism. Armed with an ingenious mind, he survived three horrific years in Nazi slave-labor concentration camps while virtually his entire family was murdered in Auschwitz. After arriving in America in 1946—despite having no money or professional skills—his inventions helped revolutionize both the jewelry and packaged-salad industries. Remarkably, Mendek also applied his ingenuity to his own psyche, developing innovative ways to heal his heart and end his emotional suffering. After Mendek died in 2012, his daughter, Myra Goodman, found an unfinished manuscript in which he 'd revealed the intimate details of his healing journey. Quest for Eternal
