students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Winner of the Fraunces Tavern Museum Book Award From the bestselling author of the Liberation Trilogy comes the extraordinary first volume of his new trilogy about the American Revolution Rick Atkinson, author of the Pulitzer Prize-winning *An Army at Dawn* and two other superb books about World War II, has long been admired for his deeply researched, stunningly vivid narrative histories. Now he turns his attention to a new war, and in the initial volume of the Revolution Trilogy he recounts the first twenty-one months of America's violent war for independence. From the battles at

Lexington and Concord in spring 1775 to those at Trenton and Princeton in winter 1777, American militiamen and then the ragged Continental Army take on the world's most formidable fighting force. It is a gripping saga alive with astonishing characters: Henry Knox, the former bookseller with an uncanny understanding of artillery; Nathanael Greene, the blue-eyed bumpkin who becomes a brilliant battle captain; Benjamin Franklin, the self-made man who proves to be the wiliest of diplomats; George Washington, the commander in chief who learns the difficult art of leadership when the war seems all but lost.

The story is also told from the British perspective, making the mortal conflict between the redcoats and the rebels all the more compelling. Full of riveting details and untold stories, *The British Are Coming* is a tale of heroes and knaves, of sacrifice and blunder, of redemption and profound suffering. Rick Atkinson has given stirring new life to the first act of our country's creation drama.

South Sudan is the world's youngest independent country. This book is the first general history of the new country.

When the Revolutionary War began, the odds of a united, continental effort to resist the British seemed nearly impossible. Few on either side of the Atlantic expected thirteen colonies to stick together in a war against their cultural cousins. In this pathbreaking book, Robert Parkinson argues that to unify the patriot side, political and communications leaders linked British tyranny to colonial prejudices, stereotypes, and fears about insurrectionary slaves and violent Indians. Manipulating newspaper networks, Washington, Jefferson, Adams,

Franklin, and their fellow agitators broadcast stories of British agents inciting African Americans and Indians to take up arms against the American rebellion. Using rhetoric like "domestic insurrectionists" and "merciless savages," the founding fathers rallied the people around a common enemy and made racial prejudice a cornerstone of the new Republic. In a fresh reading of the founding moment, Parkinson demonstrates the dual projection of the "common cause." Patriots through both an ideological appeal to popular rights and a wartime movement against a host of British-recruited slaves
