TALK LESS. Kids start to ignore parents because they speak so often and sometime throw around empty threats of repercussions. Be more conscious of what you are attempting to relay to your children and make sure that every single word counts. The more you request for your child to comply, the less likely your child will respond and follow through.

Here are my 20 top tips for improving the WAY we talk to our kids: Use your child's name. Your own name is music to your ears. Our kids are no different, and it helps to get their attention before delivering your message. Eg., "George, please go and get" Young children can often only concentrate on one thing at a time.

For over thirty-five years, parents have turned to *How to Talk So Kids Will Listen & Listen So Kids Will Talk* for its respectful and effective solutions to the unending challenges of raising children. Now, in response to growing demand, Adele's daughter, Joanna Faber, along with Julie King, tailor *How to Talk's* powerful communication skills to children ages two to seven. Faber and King, each a parenting expert in her own right, share their wisdom accumulated over years of conducting *How To Talk* workshops with parents and a broad variety of professionals. With a lively combination of storytelling, cartoons, and fly-on-the-wall discussions from their workshops, they provide concrete tools and tips that will transform your relationship with the young kids in your life. What do you do with a little kid who won't brush her teeth—screams in his car seat—pinches the baby...refuses to eat vegetables—throws books in the library...runs rampant in the supermarket? Organized according to common challenges and conflicts, this book is an essential emergency first-aid manual of communication strategies, including a chapter that addresses the special needs of children with sensory processing and autism spectrum disorders. This user-friendly guide will empower parents and caregivers of young children to forge rewarding, joyful relationships with terrible two-year-olds, truculent three-year-olds, ferocious four-year-olds, foolhardy five-year-olds, self-centered six-year-olds, and the occasional semi-civilized seven-year-old. And, it will help little kids grow into self-reliant big kids who are cooperative and connected to their parents, teachers, siblings, and peers.

A guide to practical and effective communication with children. The authors share insights and suggestions to help break the pattern of arguments and cope with your child's negative feelings, express your anger without being hurtful, engage your child's cooperation, set clear limits and maintain goodwill, use alternatives to punishment and resolve conflicts.
