Hunter is a beautiful start to the Valiant Series. Following characters that are both flawed and courageous, the book explores the themes of family, bravery, and redemption. While the world is starkly different from the world that we live in, there are many parallels that also exist. If you are looking for a clean, wonderfully-crafted book with relatable characters and a powerful message, this is the book to pick up.

A reckless young woman named Averella does what no woman has ever done. She disguises herself as a man and purposefully gets herself arrested and thrown into Zagerah. Her brother Gabriel was taken, and with his disease, he will not survive on his own. She has no idea what to expect inside the prison; all she knows is that once men get taken, they never come back. The Hunters will find her. Genetically altered to be faster and stronger than humans, the Hunters use their powers to find and kill every prisoner who enter Zagerah. The only ones who can defeat them, are in fact, themselves. Jared is a Hunter. It's all he's known, all he remembers. He kills ruthlessly and without regret, one prisoner after another. When a new prisoner Dalex shows up, everything begins to change. Jared goes undercover to make Dalex and the other prisoners believe he is one of them, a prisoner himself. No one knows the truth. He will trick them. Toy with them. Then, he will kill them.

For many decades, the Aretul have ruled the world of Averell with an iron fist. Any man or boy is taken to the prison Zagerah and never seen again, left at the mercy of the vicious Hunters. Why? How did the Aretul take over Averell and why? Why did they create the Hunters and for what purpose? Who were the Hunters before? Read stories through the eyes of all the side characters from Hunter, and more. Immerse yourself in the world of Averell and watch its history unfold with every turn of the page. This story is meant to be read as a companion to Hunter, Book One in the Valiant Series.

The Valiant was supposed to save us. Instead, it triggered the end of the world. Earth is in shambles. Everyone, even the poorest among us, invested in the Valiant's space mining mission in the hopes we'd be saved from ourselves. But the second the ship leaves Earth's atmosphere, our fate is sealed. The alien invasion begins. They pour into cities around the world through time portals, possessing humans, forcing us to kill one another. And for whatever reason, my brother is their number one target. Now the fate of the world lies in the hands of me, a seventeen-year-old girl, but with the help of my best friend, Justin—who's suddenly starting to feel like more—maybe if we save my brother, we can save us all...

In this world of shapeshifters, Beroan is from a clan that wants to watch humans burn. Forced to obey the command of a corrupt Alpha, Beroan chooses to do whatever is necessary to stop the destruction, even if it leads to all-out war. Nsi is a human in a world that is being

destroyed by fire. She knows nothing of shapeshifters. Her entire family has been killed in the dragon attacks and now she wants to do anything to stop other people from suffering the same fate. Nsi and Beroan are drawn together in a fate neither of them expects. Will their hopes to stop the dragons only end in war between the shapeshifting clans? Or does fate have other plans for them?

Princess. Captive. Gladiator. Always a Warrior. Fallon is the daughter of a proud Celtic king and the younger sister of the legendary fighter Sorcha. When Fallon was just a child, Sorcha was killed by the armies of Julius Caesar. On the eve of her seventeenth birthday, Fallon is excited to follow in her sister's footsteps and earn her place in her father's war band. She never gets the chance. Fallon is captured and sold to an elite training school for female gladiators—owned by none other than Julius Caesar himself. In a cruel twist of fate, the man who destroyed Fallon's family might be her only hope of survival. Now, Fallon must overcome vicious rivalries, deadly fights in and out of the arena, and perhaps the most dangerous threat of all: her irresistible feelings for Cai, a young Roman soldier and her sworn enemy. A richly imagined fantasy for fans of Sarah J. Maas and Cinda Williams Chima, *The Valiant* recounts Fallon's gripping journey from fierce Celtic princess to legendary gladiator and darling of the Roman empire.

Following her New York Times Editor's Choice collection of short stories Tales of the New World, historical fiction master Sabina Murray returns with an epic and bold novel of friendship and betrayal set across four continents and a 40 year time-span. In prose that is darkly humorous and alive with detail, Valiant Gentlemen reimagines the lives and intimate friendships of humanitarian and Irish patriot Roger Casement; his closest friend, Herbert Ward; and Ward's extraordinary wife, the Argentinian-American heiress Sarita Sanford. Valiant Gentlemen takes the reader on an intimate journey, from Ward and Casement's misadventurous youth in the Congo—where, among other things, they bore witness to an Irish whiskey heir's taste for cannibalism—to Ward's marriage to Sarita and their flourishing family life in France, to Casement's covert homosexuality and enduring nomadic lifestyle floating between his work across the African continent and involvement in Irish politics. When World War I breaks out, Casement and Ward's longstanding political differences finally come to a head and when Ward and his teenage sons leave to fight on the frontlines for England, Casement begins to work alongside the Germans to help free Ireland from British rule. What results is tragic and riveting, as both men are forced to confront notions of love and betrayal in the face of the vastly different tracks their lives have taken. Reminiscent of the work of Peter Carey and Michael Ondaatje, Valiant Gentlemen is a uniquely human account of some of early 20th century's larger historical figures from a "ravishing" (O magazine) and "brilliant" (Boston Globe) voice in fiction today.
