Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in-depth reviews.

Completely updated for current HD, UHD, 2K, and 4K workflows, Avid Editing blends the art and aesthetics of motion picture editing with technical, hands-on instruction. Appropriate for beginners and intermediate users who need to refresh their knowledge of essential post-production techniques, this fully revamped and full-color sixth edition is also an excellent tool for editors coming to Avid from other non-linear editing platforms. Topics covered include trimming, audio, effects, titles, color correction, customization, inputting, and outputting. A robust accompanying online eResource features professionally shot footage and Avid project files, allowing readers to work alongside the lessons taught in the book. The new edition covers: Avid Media Composer licensing choices Changes to the Avid user interface Basic and advanced visual effects Mastering Avid ' s audio tools Exploring Avid ' s Title Tool and NewBlue Titler Pro Understanding double-system sound techniques Syncing picture and sound files Understanding and applying LUTs The latest HD, UHD, 2K, and 4K Workflows

This book explores the phenomenon of Independence Days. These rituals had complex meanings both in the territories concerned and in Britain as the imperial metropole, where they were extensively reported in the press. The text is concerned with the political management, associated rhetoric and iconography of these seminal celebrations. The focus is therefore very much on political culture in a broad sense, and changing perceptions and presentations over time. Highlights of the book include an overview by David

Cannadine relating the topic to ornamentalism, invented tradition and transitions in British culture. Although the book is mainly concerned with the British Empire, Martin Shipway – a leading historian and cultural analyst of French decolonization – contributes an acute summary of how the same ‘ moment ’ was handled differently in the other great European empires. There are detailed and lively studies by noted specialists of the immediate coming of Independence to India/Pakistan, Malaya, Ghana, Zimbabwe, and Guyana. The book includes a thematic focus on the important role of representatives of the British monarchy in legitimating transfers of sovereignty at their point of climax. This book was published as a special issue of The Round Table.

This practical sourcebook has been specially prepared to give you an at-a-glance guide to quality video program-making on a modest budget. Emphasis throughout is on excellence with economy; whether you are working alone or with a small multi-camera group. The well-tried techniques detailed here will steer you through the hazards of production, helping you to avoid those frustrating, time-wasting problems, and to create an effective video program. For many years Video Production Handbook has helped students and program-makers in a wide range of organizations. Now in its thoroughly revised 3rd edition, Video Production Handbook guides you step-by-step, explaining how to develop your initial program ideas, and build them into a successful working format. It covers the techniques of persuasive camerawork, successful lighting and sound treatment, video editing...etc. You will find straightforward up-to-the-minute guidance with your daily production problems, and a wealth of practical tips based on the author's personal experience. In this extended edition, you will see how you can use quite modest chromakey
