Years later, when the idea came to Vevers to revitalise the timeless design, only an all-star cast would do to debut the Rogue 2.0. And so, he called upon Coach brand ambassadors Jennifer Lopez, Kate ...

Kate Moss is one of the newest of the supermodels. Her unique look has inspired top photographers, including Stephen Meisel, Bruce Weber, Herb Ritts, Helmut Newton and Richard Avedon, top fashion editors and top fashion designers, particularly Calvin Klein.

Years after her discovery at age fourteen at New York City 's John F. Kennedy Airport and her quick ascent to the top of the supermodeling world and choice luxury-brand figurehead, Kate Moss represents an unusual success story: that of a middle-class teenager who became one of the best-paid models in the world with no apparent effort. Hers is a story of endless reinvention: more than twenty years later, despite tabloid scandals, drug use, rehab, and tumultuous high-profile romances, Kate Moss appears before us as a fresh creation each time, an ideal subject able to adapt to any circumstance, recast herself ceaselessly through self-staging and self-narration, and make the world fall in love with her over and over again. In *Kate Moss: The Making of an Icon*, Christian Salmon 's insightful text, accompanied by more than sixty gorgeous images, explores this phenomenon—the story of an icon, a muse, a legend, an enigma—and how our culture has created the collective Kate Moss myth.

A stylish celebration of top model Kate Moss 's life in fashion. Arguably the most famous style icon of recent decades, Kate Moss is certainly one of the most photographed and talked-about celebrities of our time. Kate 's unique personal experience of the fashion industry has meant she has worked with the best designers, photographers and stylists, and worn the world 's most beautiful clothes from a very early age. Kate 's sense of style is now innate, instinctive and impeccable. Her fresh approach to dressing has turned her into a style icon for millions who buy her designs at Topshop, and emulate her style. This book not only explores the elements of Moss 's style, but her eye for putting her look together — not only where she shops and what she buys, but why. We all want a little bit of the Moss Style Mojo, and this book unravels her formula; taking us not just inside her wardrobe, but inside her head. From the Trade Paperback edition.

Fashion's dynamic duo. Mario Testino's tribute to his greatest muse Mario Testino is recognized as the ultimate fashion photographer of his generation but his pictures of Kate Moss transcend fashion. The consequence of two decades of extraordinary friendship, and phenomenal glamor, this iconic collaboration is an intimate insight into the lives and minds of two of the world's definitive style leaders. Follow the journey of one of fashion's most extraordinary friendships, from early days backstage at the shows to behind-the-scenes glimpses of the ground-breaking editorials they continue to produce for the world's most respected magazines. Many photographs have been chosen from Testino's private archive and are published here for the first time. This book is Mario's personal homage to his greatest muse: a young girl that captured his heart and eye with her beauty, humor and spirit, and whose image in his photographs has captured imaginations the world over. Contents include: Foreword by Mario Testino Exclusive essay by Kate Moss Over 100 images in black-and-white and color, including many unseen private photographs

Presents the story of model Kate Moss, chronicling her rise as top model and her well-known penchant for hard partying, jet-setting friendships, and turbulent relationships.

Mario Testino is recognized as the ultimate fashion photographer of his generation but his pictures of Kate Moss transcend fashion. This book is Testino's personal homage to his greatest muse.

“ Terrifically exciting and fun ” (Publishers Weekly), Champagne Supernovas is “ a lucid, smoothly executed look at a pivotal decade in the legacy of American fashion ” (Kirkus Reviews) as told through the lives of Kate Moss, Marc Jacobs, and Alexander McQueen—the three iconic personalities who defined the time. Veteran pop culture journalist Maureen Callahan takes us back to the pivotal style moment of the early 1990s—when supermodel glamazons gave way to heroin chic, when the alternative became the mainstream, and when fashion suddenly became the cradle for the most exciting artistic and cultural innovations of the age. Champagne Supernovas gives you the inside scoop from a bevy of supermodels, stylists, editors, photographers, confidantes, club kids, and scenesters who were there. They ’ ll tell the unvarnished story of three of the most influential personalities to emerge in fashion in decades—Kate, Marc, and McQueen—and show why the conditions in the 1990s were perfect for their rise...but also helped contribute to their personal struggles. Steeped in the creative brew of art, decadence, and genius that defined the era, Champagne Supernovas is a “ titillating ride through the fashion world ” (Elle) that offers readers front-row tickets to a gloriously debauched soap opera about the losers and freaks who became the industry ’ s It Girls and Boys...and who changed the larger culture forever.

A stylish celebration of top model Kate Moss ’ s life in fashion. Arguably the most famous style icon of recent decades, Kate Moss is certainly one of the most photographed and talked-about celebrities of our time. Kate ’ s unique personal experience of the fashion industry has meant she has worked with the best designers, photographers and stylists, and worn the world ’ s most beautiful clothes from a very early age. Kate ’ s sense of style is now innate, instinctive and impeccable. Her fresh approach to dressing has turned her into a style icon for millions who buy her designs at Topshop, and emulate her style. This book not only explores the elements of Moss ’ s style, but her eye for putting her look together — not only where she shops and what she buys, but why. We all want a little bit of the Moss Style Mojo, and this book unravels her formula; taking us not just inside her wardrobe, but inside her head.
