looked after. Has had a screen protector from new.

A PBS Great American Read Top 100 Pick With extraordinary relevance and renewed popularity, George Orwell's 1984 takes on new life in this edition. "Orwell saw, to his credit, that the act of falsifying reality is only secondarily a way of changing perceptions. It is, above all, a way of asserting power." The New Yorker In 1984, London is a grim city in the totalitarian state of Oceania where Big Brother is always watching you and the Thought Police can practically read your mind. Winston Smith is a man in grave danger for the simple reason that his memory still functions. Drawn into a forbidden love affair, Winston finds the courage to join a secret revolutionary organization called The Brotherhood, dedicated to the destruction of the Party. Together with his beloved Julia, he hazards his life in a deadly match against the powers that be. Lionel Trilling said of Orwell's masterpiece, "1984 is a profound, terrifying, and wholly fascinating book. It is a fantasy of the political future, and like any such fantasy, serves its author as a magnifying device for an examination of the present." Though the year 1984 now exists in the past, Orwell's novel remains an urgent call for the individual willing to speak truth to power.

"The Paperwhite is the handiest, best value e-reader, and is your portal to an infinite universe of education and entertainment -- and this handy book helps you get the maximum bang for your Kindle bucks"--Provided by publisher.

From award-winning author G. Willow Wilson, *The Bird King* is an epic journey set during the reign of the last sultan in the Iberian peninsula at the height of the Spanish Inquisition. G. Willow Wilson's debut novel *Alif the Unseen* was an NPR and Washington Post Best Book of the Year, and it established her as a vital American Muslim literary voice. Now she delivers *The Bird King*, a stunning new novel that tells the story of Fatima, a concubine in the royal court of Granada, the last emirate of Muslim Spain, and her dearest friend Hassan, the palace mapmaker. Hassan has a secret—he can draw maps of places he's never seen and bend the shape of reality. When representatives of the newly formed Spanish monarchy arrive to negotiate the sultan's surrender, Fatima befriends one of the women, not realizing that she will see Hassan's gift as sorcery and a threat to Christian Spanish rule. With their freedoms at stake, what will Fatima risk to save Hassan and escape the palace walls? As Fatima and Hassan traverse Spain with the help of a clever jinn to find safety, *The Bird King* asks us to consider what love is and the price of freedom at a time when the West and the Muslim world were not yet separate.

In this eye-opening look at our Founding Fathers that is full of fun facts and lively artwork, it seems that Ben Franklin, Thomas Jefferson, and their cohorts sometimes agreed on NOTHING—except the thing that mattered most: creating the finest constitution in world history, for the brand-new United States of America. Tall! Short! A scientist! A dancer! A farmer! A soldier! The founding fathers had no idea they would ever be called the "founding Fathers," and furthermore they could not even agree exactly on what they were founding! Should America declare independence from Britain? "Yes!" shouted some. "No!" shouted others. "Could you repeat the question?" shouted the ones who either hadn't been listening or else were off in France having fun, dancin' the night away. Slave owners, abolitionists, soldiers, doctors, philosophers, bankers, angry letter-writers—the men we now call America's Founding Fathers were a motley bunch of characters who fought a lot and made mistakes and just happened to invent a whole new kind of nation. And now here they are, together again, in an exclusive engagement!

Explains usage of the Kindle Paperwhite, including reading on the device, finding content, saving documents, and troubleshooting.

your kindle properly. Get this Guide Now and stay completely informed on how to transfer and load your kindle with lots of books. Happy kindle Reading Life..

Animal Farm is an allegorical novella by George Orwell. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, however, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon. One night, all the animals at Mr. Jones's Manor Farm assemble in a barn to hear old Major, a pig, describe a dream he had about a world where all animals live free from the tyranny of their human masters. Old Major dies soon after the meeting, but the animals — inspired by his philosophy of Animalism — plot a rebellion against Jones. Two pigs, Snowball and Napoleon, prove themselves important figures and planners of this dangerous enterprise. When Jones forgets to feed the animals, the revolution occurs, and Jones and his men are chased off the farm. Manor Farm is renamed Animal Farm, and the Seven Commandments of Animalism are painted on the barn wall.
