Abraham Lincoln was our 16. th. president. He was president during the Civil War. The Civil War was from 18. 61. to 18. 65. He is famous for freeing the ...

Lincoln

Lincoln

The Address was delivered at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, on the afternoon of Thursday, November 19, 1863, during the American Civil War, four and a half months after the Union armies defeated those of the Confederacy at the decisive Battle of Gettysburg. In just over two minutes, Lincoln invoked the principles of human equality espoused by the Declaration of Independence and redefined the Civil War as a struggle not merely for the Union, but as "a new birth of freedom" that would bring true equality to all of its citizens, and that would also create a unified nation in which states' rights were no longer dominant. Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

In the tradition of Wills's "Lincoln at Gettysburg, Lincoln's Greatest Speech" combines impeccable scholarship and lively, engaging writing to reveal the full meaning of one of the greatest speeches in the nation's history.

Elizabeth Keckley's rise from slave to White House confidante details the cruel and terrible life for those in slavery, and the drive and determination of a woman who would not let others destroy her will.

Lincoln's Last Days is a gripping account of one of the most dramatic nights in American history—of how one gunshot changed the country forever. Adapted from Bill O'Reilly's bestselling historical thriller, Killing Lincoln, this book will have young readers—and grown-ups too—hooked on history. In the spring of 1865, President Abraham Lincoln travels through Washington, D.C., after finally winning America's bloody Civil War. In the midst of celebrations, Lincoln is assassinated at Ford's Theatre by a famous actor named John Wilkes Booth. What follows is a thrilling chase, ending with a fiery shoot-out and swift justice for the perpetrators. With an unforgettable cast of characters, page-turning action, vivid detail, and art on every spread, Lincoln's Last Days is history that reads like a thriller. This is a very special book, irresistible on its own or as a compelling companion to Killing Lincoln.

The Newbery Award-winning author of *Up a Road Slowly* presents the unforgettable story of Jethro Creighton—a brave boy who comes of age during the turbulent years of the Civil War. In 1861, America is on the cusp of war, and young Jethro Creighton is just nine-years-old. His brother, Tom, and his cousin, Eb, are both of fighting age. As Jethro's family is pulled into the conflict between the North and the South, loyalties are divided, dreams are threatened, and their bonds are put to the test in this heart-wrenching, coming of age story. "Drawing from family records and from stories told by her grandfather, the author has, in an uncommonly fine narrative, created living characters and vividly reconstructed a crucial period of history."—Booklist

The New York Times bestselling author of *Mrs. Lincoln's Sisters* unveils the private lives of President Abraham Lincoln and his wife, Mary Todd Lincoln, through the eyes of the First Lady's most trusted confidante and friend in this compelling historical novel. In a life that spanned nearly a century and witnessed some of the most momentous events in American history, Elizabeth Hobbs Keckley was born a slave. A gifted seamstress, she earned her freedom by the skill of her needle, and won the friendship of First Lady Mary Todd Lincoln by her devotion. A sweeping historical novel, *Mrs. Lincoln's Dressmaker* illuminates the extraordinary relationship the two women shared, beginning in the hallowed halls of the White House during the trials of the Civil War and enduring almost, but not quite, to the end of Mrs. Lincoln's days.

In this monumental multiple biography, Pulitzer Prize-winning historian Doris Kearns Goodwin studies Abraham Lincoln's mastery of men. She shows how he saved Civil War-torn America by appointing his fiercest rivals to key cabinet positions, making them help achieve his vision for peace. As well as a thrilling piece of narrative history, it's an inspiring study of one of the greatest leaders the world has ever seen. A book to bury yourself in.

Burlingame interprets Lincoln's private life, discussing his marriage to Mary Todd, the untimely death of his son Willie to disease in 1862, and his recurrent anguish over the enormous human costs of the war.

Brad Meltzer and Josh Mensch, the bestselling authors of *The First Conspiracy*, which covers the secret plot against George Washington, now turn their attention to a little-known, but true story about a failed assassination attempt on the sixteenth president in *The Lincoln Conspiracy*. Everyone knows the story of Abraham Lincoln's assassination in 1865, but few are aware of the original conspiracy to kill him four years earlier in 1861, literally on his way to Washington, D.C., for his first inauguration. The conspirators were part of a white supremacist secret society that didn't want an abolitionist in the White House. They planned an elaborate scheme to assassinate the President-elect in Baltimore as Lincoln's inauguration train passed through, en route to the nation's capital. The plot was investigated by famed detective Allan Pinkerton, who infiltrated the group with undercover agents, including Kate Warne, one of the first female private detectives in America. Had the assassination succeeded, there would have been no Lincoln Presidency and the course of the Civil War and American history would have forever been altered.

"In his introduction to *The Life of Abraham Lincoln*, Henry Ketcham notes that there has been so much written about Lincoln that the legend has begun to obscure, if not to efface, the man. In this biography the single purpose has been to present the living man with such distinctness of outline that the reader may have a sort of feeling of being acquainted with him. Ketcham's clearly-written, unadorned account of Lincoln's life achieves its stated purpose, never removing its focus from the man who became the 16th President of the United States and led the nation through some of its most turbulent and difficult times."--Amazon.com
