The stories in this book are about not giving up and sharing with others. You can do anything you want if you are willing to put in the hard work. The characters in this book are willing to do what they must to get it right. Sharing is just fine. The more you share, the more God will bless you. When people share, that is letting other people know you are not selfish, and you don't mind sharing. If you don't know something, ask someone to help or show you what to do. You will never learn if you do not ask, so push your pride aside and ask. If someone asks you to help them or to show them something they

do not know how to do, help them. Plus, you will get your blessings from God. Just like the characters in this book who learn practice makes perfect and sharing isn't bad, the more you help people, the more you get out of life. When you ask for help, that lets people know you want to learn. Never be afraid to ask for help or to help someone. If you have a little sister or brother, show them how to tie their shoes or even share with someone who doesn't have enough. Believe me, you will feel so good. You will make their day. If you have a sandwich and someone with you doesn't, let them have some of yours. If a friend of your does not know how to do something, show them how. You might just make a friend for life; you never know.

This is the story of a life spent largely in the world of chemistry, mainly as a college or university-level teacher. It is also the story of an ordinary boy, a child of the war years, who rose from an unpromising start, leaving school at 16 with four mediocre O Levels, to become more successful and fulfilled in a career than he had ever imagined possible, eventually becoming a university professor. The book also describes the immense contribution made to our lives by chemical research and the chemical industry.ÿ

This story begins in 1991 when Sheryl meets her second husband named Richard. Her expectations are different than they were for her first marriage. That said, she never dreams that it will become so awful. Unfortunately, physical abuse is a part of the story. Divorce seems a clear and almost certain option. Sheryl has always believed that God helps those who help themselves (which is not biblical). Like most people, she believes it is up to her to fix herself and her marriage. But nothing she does works. The level of desperation is tremendous-a desperation that Sheryl has rarely experienced. But then.God. Sheryl finally turns everything over to God. God steps in and, wow, the old, ugly marriage dies and what is left is better than a dream come true. Everything is brand new, squeaky clean, and joyful. Jesus was, is, and always will be the center, the bottom, the top, and both sides. There really is no life without Christ Jesus.

Are you wondering, what is your divine destiny? What is your purpose in life? Why are you here and what directions you should take? Then this book will inspire you to seek answers that ponder your mind, heart, spirit, and soul. It is going to take you on a spiritual quest that reveals truth and godly wisdom. Dealing with spiritual matters and matters of the heart requires intense meditation, prayer, faith, obedience, truth, and guidance. Sometimes God answers by revealing His instructions to us in an

unordinary or mysterious form. My quest for answers was revealed through dreams, visions, and insight. The Christian upbringing I had, along with faith to seek and wait for answers, became a major turning point in my life. All this aspiration was a result of a choice I made, shortly after moving to Atlanta, Georgia in 2010. This geographical area was appointed by God when He called me to do a work here over twenty years ago. Not having a clue what was about to take place, led me to personal growth and spiritual maturity through several uneventful situations that was unexpected. This book will enrich your life to keep striving when life throws you a curve ball. I pray you are blessed in your quest to seek solutions to questions that linger heavy on your heart, mind, spirit, and soul. BE BLESSED.

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

A discussion of the bloodline of Jesus Christ and how it affects the believer.

FOREWORD by Don Tapscott, author of Wikinomics and Grown Up Digital The Obama campaign's mastery of social media for everything from fundraising to volunteer coordination has been widely reported. Until now, there hasn't been an in-depth analysis of how they did it. In Yes We Did, new media strategist and campaign headquarters volunteer Rahaf Harfoush gives us a behind the-scenes look at the campaign's use of technology, from its earliest days through election night. She reveals strategic insights organizations can apply to their own brands. Discover how unwavering strategic vision and collaborative technologies—email, blogs, social networks, Twitter, and SMS messaging—empowered a formidable online community to help elect the world's first "digital" President.
