Lying for Money: How Legendary Frauds Reveal the Workings ...

Lying For Money is an excellent book and a highly entertaining read, stripping down the four main types of fraud to their bare essentials while cautioning how traditional efforts to combat them typically come with the need to trust even more people, each of whom may then pervert those additional controls for their own personal benefit.

A biological and psychological analysis of the human practice of lying reveals the role played by deception and self-deception in evolution, demonstrating how the structure of the brain is shaped by a need to deceive. Reprint. 12,500 first printing.

Financial fraud, whether large or small is a persistent feature of the financial markets. If you scratch the surface of the investment world you ' ll find a continuous stream of major financial scandals which are almost unbelievable in the sheer scale of their subterfuge. The Con Men shines a spotlight on some of these gargantuan frauds from the last 25 years. It questions how these men did it, why they did it, how there were able to get away with it, proposes strategies and tactics so that the reader can avoid being swindled.

Welcome, welcome to Caraval—Stephanie Garber ' s sweeping tale of two sisters who escape their ruthless father when they enter the dangerous intrigue of a legendary game. Scarlett has never left the tiny island where she and her beloved sister, Tella, live with their powerful, and cruel, father. Now Scarlett ' s father has arranged a marriage for her, and Scarlett thinks her dreams of seeing Caraval, the far-away, once-a-year performance where the audience participates in the show, are over. But this year, Scarlett ' s long-dreamt of invitation finally arrives. With the help of a mysterious sailor, Tella whisks Scarlett away to the show. Only, as soon as they arrive, Tella is kidnapped by Caraval ' s mastermind organizer, Legend. It turns out that this season ' s Caraval revolves around Tella, and whoever finds her first is the winner. Scarlett has been told that everything that happens during Caraval is only an elaborate performance. But she nevertheless becomes enmeshed in a game of love,

heartbreak, and magic with the other players in the game. And whether Caraval is real or not, she must find Tella before the five nights of the game are over, a dangerous domino effect of consequences is set off, and her sister disappears forever.

Has any president been more unjustly vilified than Donald Trump? Yes, he ' s brash. Yes, he has an ego. Yes, his ad-libbing sometimes gets him into trouble. But the fact is Donald Trump is the most effective conservative president in decades. That ' s why the media hate him. That ' s why they lie about him. And there ' s something else. When they lie about him, they ' re really lying about you, because to the media, anyone who supports Donald Trump is deplorable. But here, at last, is the counterpunch we ' ve been waiting for. Columnist and bestselling author Kurt Schlichter provides a fact-filled—and frequently hilarious—takedown of some of the media ' s most pernicious lies about the president. In *The 21 Biggest Lies about Donald Trump (and you!)*, you ' ll learn: Why liberals cry “ racism ” at any argument they don ' t like—when the real racists of American history have all been the Democrats How Trump “ the warmonger ” has actually given America a more realistic—and safer—foreign policy than any of his immediate predecessors Why the media refuses to understand the difference between legal and illegal immigrants (here ' s a clue: Trump ' s mother was a legal immigrant—and so is his wife) Why Trump and his supporters are infinitely more intelligent than a media that have gotten every major story of the Trump presidency wrong Trump ' s great virtues (that too many Republicans lack): realism, courage, common sense, and an unapologetic determination to win conservative victories Tired of media and leftwing lies about Donald Trump? Then you ' ll love this book.
