From #1 New York Times bestselling author James Rollins, the latest riveting, deeply imaginative thriller in the Sigma Force series, told with his trademark blend of cutting-edge science, historical mystery, and pulse-pounding action. It begins in Africa . . . A United Nations relief team in a small village in the Congo makes an alarming discovery. An unknown force is leveling the evolutionary playing field. Men, women, and children have been reduced to a dull, catatonic state. The environment surrounding them--plants and animals--has grown more cunning and predatory, evolving at an exponential pace. The insidious phenomenon is spreading from a cursed site in the jungle -- known to locals as the Kingdom of Bones --and sweeping across Africa, threatening the rest of the world. What has made the biosphere run amok? Is it a natural event? Or more terrifyingly, did someone engineer it? Commander Gray Pierce and Sigma Force are prepared for the extraordinary and have kept the world safe, vigilance for which they have paid a tragic personal price. Yet, even these brilliant and seasoned scientific warriors do not understand what is behind this frightening development--or know how to stop it. As they race to find answers, the members of Sigma quickly realize they have become the prey. To head off global catastrophe, Sigma Force must risk their lives to uncover the shattering secret at the heart of the African continent--a truth that will illuminate who we are as a species and where we may be headed . . . sooner than we know. Mother Nature--red in tooth and claw--is turning against humankind, propelling the entire world into the Kingdom of Bones.

A sinister fire in a Copenhagen bookstore ignites a relentless hunt across four continents.

Arson and murder reveal an insidious plot to steal a Bible that once belonged to Charles Darwin, the father of evolutionary theory. And Commander Gray Pierce dives headlong into a mystery that dates back to Nazi Germany . . . and to horrific experiments performed in a now-abandoned laboratory buried in a hollowed-out mountain in Poland. A continent away, madness ravages a remote monastery high in Nepal, as Buddhist monks turn to cannibalism and torture. Lisa Cummings, a young American doctor investigating the atrocity, is suddenly a target of a brutal assassin working for clandestine forces that want the affair buried at any cost. Lisa's only ally is a hidden pilgrim, Painter Crowe -- director of SIGMA Force, an elite command of American scientists and Special Forces operatives -- who is already showing signs of the baffling malady that destroyed the minds of the monks. Now it is up to Gray Pierce to save both Painter and Lisa -- and a world in jeopardy -- as SIGMA Force races to expose a century-old plot that threatens to destroy the current world order . . . and alter the destiny of humankind forever. Combining the historic scope of *The Da Vinci Code* with the relentless thrills of today's best action novels, James Rollins's *Black Order* is a classic adventure -- an ingenious and breathtaking tour de force that explodes with revelations . . . while offering a startling new view of our place in the grand scheme of existence.

A war is coming, a battle that will stretch from the prehistoric forests of the ancient past to the cutting-edge research labs of today, all to reveal a true mystery buried deep within our DNA, a mystery that will leave readers changed forever . . . In this groundbreaking masterpiece of ingenuity and intrigue that spans 50,000 years in human history, New York Times bestselling author James Rollins takes us to mankind ' s next great leap. But will it

mark a new chapter in our development . . . or our extinction? In the remote mountains of Croatia, an archaeologist makes a strange discovery: a subterranean Catholic chapel, hidden for centuries, holds the bones of a Neanderthal woman. In the same cavern system, elaborate primitive paintings tell the story of an immense battle between tribes of Neanderthals and monstrous shadowy figures. Who is this mysterious enemy depicted in these ancient drawings and what do the paintings mean? Before any answers could be made, the investigative team is attacked, while at the same time, a bloody assault is made upon a primate research center outside of Atlanta. How are these events connected? Who is behind these attacks? The search for the truth will take Commander Gray Pierce of Sigma Force 50,000 years into the past. As he and Sigma trace the evolution of human intelligence to its true source, they will be plunged into a cataclysmic battle for the future of humanity that stretches across the globe . . . and beyond. With the fate of our future at stake, Sigma embarks on its most harrowing odyssey ever—a breathtaking quest that will take them from ancient tunnels in Ecuador that span the breadth of South America to a millennia-old necropolis holding the bones of our ancestors. Along the way, revelations involving the lost continent of Atlantis will reveal true mysteries tied to mankind ' s first steps on the moon. In the end, Gray Pierce and his team will face to their greatest threat: an ancient evil, resurrected by modern genetic science, strong enough to bring about the end of man ' s dominance on this planet. Only this time, Sigma will falter—and the world we know will change forever.

An inexplicable explosion rocks the antiquities collection of a London museum, setting off alarms in clandestine organizations around the world. And now the search for answers is

leading Lady Kara Kensington; her friend Safia al-Maaz, the gallery ' s brilliant and beautiful curator; and their guide, the international adventurer Omaha Dunn, into a world they never dreamed existed: a lost city buried beneath the Arabian desert. But others are being drawn there as well, some with dark and sinister purposes. And the many perils of a death-defying trek deep into the savage heart of the Arabian Peninsula pale before the nightmare waiting to be unearthed at journey ' s end: an ageless and awesome power that could create a utopia...or destroy everything humankind has built over countless millennia.

“ Every James Rollins delivers mach-speed mayhem; throat-clutching suspense; high-style adventure; and a terrific story told terrifically. He makes the rest of us look bad. ” —Steve Berry, author of *The Emperor ' s Tomb* “ This guy doesn ' t write novels—he builds roller coasters. ” —Booklist
New York Times bestselling thrill-master James Rollins is back with *The Devil Colony*, another electrifying combination of suspense, history, science, action, and ingenious speculation. In *The Devil Colony*, Sigma Force stalwarts Painter Crowe and Commander Grayson Pierce must investigate a gruesome massacre in the Rocky Mountains and root out a secret cabal that has been manipulating momentous events since the time of the original thirteen colonies. Once again, Rollins delivers a spine-tingler that will leave fans of Michael Crichton, *The Da Vinci Code*, and Indiana Jones breathless—as he exposes the dark truth behind the founding of America.
