generations keep overtaking existing histories making new giants to keep emerging. There is a power of hidden potential in every man, but little minds focus on what happens, average focus on how things happen, great minds focus on why things happen making them to unleash the hidden power within. Every dream that will see the light of the day must be exposed to new possibility thinking. No matter the shape, color and size of your dream today, all you need to achieve it is your thinking habit - no road is not no way after all. Life is like dropping with a parachute, if you just hang there in fate and

enjoy the cool breeze and the shade from the sun while complaining about the loneliness, it will take you where the wind of life blows - in the ocean of hopelessness, wilderness of confusion, desert of dejection or valley of past failures. You must take charge of your life by trading the power of your thoughts. When you throw down a tennis ball with force, it bounces back with the same energy, only that it rises higher, but when you throw down a glass cup it shatters on the ground and scatters in pieces, flung here and there. What happens? No energy to bounce up? No! There is energy but that had been used to
