Conflict simply is. Believing that we can somehow avoid it can only damage our relationships, but when we learn to integrate our needs and wants with those of others, it can be a catalyst in our relationships for deeper loving care. Dr. David Augsburger's Caring Enough to Confront is a classic in Christian peacemaking. It teaches the reader how to build trust, cope with blame and prejudice, and be honest about anger and frustration. Dr. Augsburger challenges readers to keep in mind that the important issue is not what the conflict is about, but instead how the conflict is handled. He offers a biblically based model for dealing with conflict to teach Christians how to confront with compassion and resolve issues in a healthy and healing way. Whether in family, church or work relationships, Caring Enough to Confront gives readers the tools to make the most of every conflict.

The book is filled with stories of struggle and success, and many practical applications of respect that have dramatically impacted marriages. This book is for women who want to understand the biblical model for healthy marriages reconcile the Bible's teaching about respect in marriage with a culture that values something completely different enjoy stronger marriages and stronger families

A New York Times bestseller people can believe in--by 'a pioneer of the new urban Christians' (Christianity Today) and the 'C.S. Lewis for the 21st century' (Newsweek). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.

This is a handbook for pastors, elders, and all Christians who want to see how Scripture presents the process of discipline that should operate in the Christian community. It was written in response to the various concerns that threaten to tear apart marriages, families, friendships, and congregations--concerns that call for a biblical approach to discipline that can heal fractures, restore right relationship, and ensure the health of the church. Developed around the five corrective steps found especially in Matthew 18:15-17, this book helps church leaders deal with the sorts of problems that require the church's disciplinary response. Charting a course that combines discernment with appropriate action, this simple, readable handbook can have a profound effect on the community of believers.

The New Testament launches with an eyewitness account of the events of Jesus' life from Matthew, a former despised tax collector who experienced a radical conversion and became one of Jesus' own disciples. Matthew's unique view interweaves his strong Jewish knowledge of the expected Messiah with his personal recollections of the flesh-and-blood Savior. In the process, he reveals the qualifications that prove Jesus was the promised Messiah: His miraculous birth, His response to the test of His kingliness, His inauguration, His miracles, His teachings, and His public ministry. Every detail of the book of Matthew confirms Jesus' deity and proves He is the Messiah of Israel and the Savior of the world. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.
