La biografía del ganador de las dos primeras ediciones de la Vuelta a España, el belga Gustaaf Deloor, nos trae la historia de los comienzos de la gran vuelta española. Pese a la importancia de su gesta, Gustavo, como le llamaba la prensa local de la época, no llegó nunca a ser un corredor muy conocido y mucho menos reconocido. El periodista especializado en ciclismo Juanfran de la Cruz ganó el II Certamen de literatura ciclista "Un libro en ruta" con este libro. Gustaaf Deloor. Un nombre imprescindible para entender la historia de la Vuelta a España. Fue el vencedor de las dos primeras ediciones de la Vuelta, en 1935 y 1936. El ciclista belga es, sin embargo, un completo desconocido para la mayoría. Competió junto a su hermano Alfons en las más grandes pruebas ciclistas europeas, aunque era la ronda española su preferida: "¿Cómo no amar a la Vuelta a España, a esta vuelta, a un país, cuando además, he sido objetivo de tan emocionadoras demostraciones por parte de su público hidalgo y caballero". Truncada su carrera deportiva por la Guerra Civil española y la II Guerra Mundial, Gustavo (como le llamaba la prensa española de la época) rehizo su vida como mecánico en Estados Unidos, llegando a trabajar en el proyecto Apolo que llevaría la primera misión tripulada a la luna. El periodista Juanfran de la Cruz, tras una larga investigación y tirando de hemeroteca y entrevistas personales con familiares y amigos que conocieron personalmente a Gustaaf Deloor, recoge en este libro todos los vaivenes de la vida del gran campeón belga.

In My World, Peter Sagan, one of cycling's greatest riders of all time, gives bike racing fans a glimpse behind the scenes of his cycling life, revealing the full extent of his dedication to competition and determination to win. With four Tour de France

points jersey victories, three road race world championships, the 2018 Paris-Roubaix, and multiple spring classics among Sagan's palmares, the world of cycling agrees that this intense yet fun-loving rider is among the most dominant and fun-to-watch riders of his generation. Inside *My World*, Sagan discusses his relationship with fellow riders, his heroes, and how he copes with the expectation of success. He also shares technical details about his preparation, dissects the art of the sprint, and analyzes the tactics that play out during a fiercely competitive stage or race.

The inspiring, against-the-odds story of Gino Bartali, the cyclist who made the greatest comeback in Tour de France history and secretly aided the Italian resistance during World War II Gino Bartali is best known as an Italian cycling legend who not only won the Tour de France twice but also holds the record for the longest time span between victories. In *Road to Valor*, Aili and Andres McConnon chronicle Bartali's journey, from an impoverished childhood in rural Tuscany to his first triumph at the 1938 Tour de France. As World War II ravaged Europe, Bartali undertook dangerous activities to help those being targeted in Italy, including sheltering a family of Jews and smuggling counterfeit identity documents in the frame of his bicycle. After the grueling wartime years, the chain-smoking, Chianti-loving, 34-year-old underdog came back to win the 1948 Tour de France, an exhilarating performance that helped unite his fractured homeland. Based on nearly ten years of research, *Road to Valor* is the first book ever written about Bartali in English and the only book written in any language to explore the full scope of Bartali's wartime work. An epic tale of courage, resilience, and redemption, it is the untold story of one of the greatest athletes of the twentieth century.

In 1967, the black boxer Rubin "Hurricane" Carter and a young acquaintance, John Artis, were wrongly convicted of triple murder by an all-white jury in Paterson, New Jersey. Over the next decade,

Read Free Merckx Il Figlio Del Tuono Ediz Illustrata

Carter gradually amassed convincing evidence of his innocence and the vocal support of celebrities from Bob Dylan to Muhammad Ali. He was freed in 1976 pending a new trial, but he lost his appeal -- to the amazement of many -- and landed back in prison. Carter, bereft, shunned almost all human contact until he received a letter from Lesra Martin, a teenager raised in a Brooklyn ghetto. Against his bitter instincts, Carter agreed to meet with Martin, thus taking the first step on a tortuous path back to the world. Martin introduced him to an enigmatic group of Canadians who helped wage a successful battle to free him. As Carter orchestrated this effort from his cell, he also embarked on a singular intellectual journey, which led ultimately to a freedom more profound than any that could be granted by a legal authority.

Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italici. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

The definitive biography of a legendary athlete. The Shrug. The Shot. The Flu Game. Michael Jordan is responsible for sublime moments so ingrained in sports history that they have their own names. When most people think of him, they think of his beautiful shots with the game on the line, his body totally in sync with the ball -- hitting nothing but net. But for all his greatness, this scion of a complex family from North Carolina's Coastal Plain has a darker side: he's a ruthless competitor and a lover of high stakes. There's never been a biography that encompassed the dual nature of his character and looked so deeply at Jordan on and off the court -- until now. Basketball journalist Roland Lazenby spent almost thirty

Read Free Merckx Il Figlio Del Tuono Ediz Illustrata

years covering Michael Jordan's career in college and the pros. He witnessed Jordan's growth from a skinny rookie to the instantly recognizable global ambassador for basketball whose business savvy and success have millions of kids still wanting to be just like Mike. Yet Lazenby also witnessed the Michael Jordan whose drive and appetite are more fearsome and more insatiable than any of his fans could begin to know. Michael Jordan: The Life explores both sides of his personality to reveal the fullest, most compelling story of the man who is Michael Jordan. Lazenby draws on his personal relationships with Jordan's coaches; countless interviews with Jordan's friends, teammates, and family members; and interviews with Jordan himself to provide the first truly definitive study of Michael Jordan: the player, the icon, and the man.

Before Federer versus Nadal, before Borg versus McEnroe, the greatest tennis match ever played pitted the dominant Don Budge against the seductively handsome Baron Gottfried von Cramm. This deciding 1937 Davis Cup match, played on the hallowed grounds of Wimbledon, was a battle of titans: the world's number one tennis player against the number two; America against Germany; democracy against fascism. For five superhuman sets, the duo's brilliant shotmaking kept the Centre Court crowd—and the world—spellbound. But the match's significance extended well beyond the immaculate grass courts of Wimbledon. Against the backdrop of the Great Depression and the brink of World War II, one man played for the pride of his country while the other played for his life. Budge, the humble hard-working American who would soon become the first man to win all four Grand Slam titles in the same year, vied to keep the Davis Cup out of the hands of the Nazi regime. On the other side of the net, the immensely popular and elegant von Cramm fought Budge point for point knowing that a loss might precipitate his descent into the living hell being constructed behind barbed wire back home. Born into an aristocratic family, von Cramm was admired for his devastating good looks as

Read Free Merckx Il Figlio Del Tuono Ediz Illustrata

well as his unparalleled sportsmanship. But he harbored a dark secret, one that put him under increasing Gestapo surveillance. And his situation was made even more perilous by his refusal to join the Nazi Party or defend Hitler. Desperately relying on his athletic achievements and the global spotlight to keep him out of the Gestapo's clutches, his strategy was to keep traveling and keep winning. A Davis Cup victory would make him the toast of Germany. A loss might be catastrophic. Watching the mesmerizingly intense match from the stands was von Cramm's mentor and all-time tennis superstar Bill Tilden—a consummate showman whose double life would run in ironic counterpoint to that of his German pupil. Set at a time when sports and politics were inextricably linked, *A Terrible Splendor* gives readers a courtside seat on that fateful day, moving gracefully between the tennis match for the ages and the dramatic events leading Germany, Britain, and America into global war. A book like no other in its weaving of social significance and athletic spectacle, this soul-stirring account is ultimately a tribute to the strength of the human spirit.

Di Stefano e Pelé, i più grandi. Italia-Germania 4-3. L'abatino Rivera e Gigi Riva, Rombo di tuono. Nereo Rocco, pragmatico sincero. Il giovane Coppi e gli inverni dell'Alessandrino. Il fi ero Gimondi, cannibalizzato da Merckx. Don Lisander Manzoni, che in Don Abbondio dipinge se stesso. Quasimodo e Gadda. Fiumi, laghi, risaie e vigneti padani. Salami e capponi, carpe e storioni, barbera e barbaccarlo. Il mondo di Gianni Brera, grande come il mondo intero. Il principe della zolla custodisce le cento storie di uno scrittore che passava per giornalista sportivo. «Un grande fiume senza mai problemi di siccità», secondo Gianni Mura, che qui ha raccolto i migliori articoli di Brera – battuti a caldo e dettati a braccio a indefessi dimafonisti – unendoli alle pagine più meditate dei suoi romanzi. Un'antologia che si trasforma in un unico grande racconto, curata con il rispetto di un allievo consapevole dell'inimitabilità del maestro; con l'affettuosa nostalgia di lunghe

Read Free Merckx Il Figlio Del Tuono Ediz Illustrata

notti avvolte nel fumo di sigari e pipe, trascorse parlando di calciatori e poeti, vini e ciclisti, politici e discoboli. L'Arcimatto Brera, sempre generoso e tagliente, ha celebrato il lato epico del calcio e la fatica del calciatore, i campioni intramontabili e l'italianissimo catenaccio. Ha saputo restituire la meraviglia del gesto atletico, il gusto del virtuosismo tecnico, la sublimazione del sacrificio. Nel calore della passione ha forgiato un linguaggio nuovo, verso il quale il giornalismo sportivo italiano, e persino internazionale, sarà sempre debitore. Ha cantato la terra e la lingua di Lombardia, e insieme le terre e le lingue incontrate girovagando per mondi sportivi, reali, letterari. In queste pagine rivive la sua vita, bella e intensa come un Giro d'Italia.
