The thrilling Newbery Medal–winning classic about an Eskimo girl lost on the Alaskan tundra Julie of the Wolves is a staple in the canon of children ' s literature and the first in the Julie trilogy. The survival theme makes it a good pick for fans of wilderness adventures such as My Side of the Mountain, Hatchet, or Island of the Blue Dolphins. This edition, perfect for classroom or home use, includes John Schoenherr ' s original scratchboard illustrations throughout, as well as bonus materials such as an introduction written by Jean Craighead George ' s children, the author ' s Newbery acceptance speech, selections from her field notebooks, a discussion guide, and a further reading guide. To her small Eskimo village, she is known as Miyax; to her friend in San Francisco, she is Julie. When her life in the village becomes dangerous, Miyax runs away, only to find herself lost in the Alaskan wilderness. Miyax tries to survive by copying the ways of a pack of wolves and soon grows to love her new wolf family. Life in the wilderness is a struggle, but when she finds her way back to civilization, Miyax is torn between her old and new lives. Is she Miyax of the Eskimos—or Julie of the wolves? Don't miss any of the books in Jean Craighead George's groundbreaking series: Julie of the Wolves, Julie, and Julie's Wolf Pack.

Sixty years old in 1999, Mercury Marine is the world leader in the marine industry. The memory of its founder, Carl Kiekhaefer, lives on in the hearts and minds of engineers and boat enthusiasts alike. His manic genius and tireless energy found outlet in his need for greater speed, more features and higher value, first in outboards and then in stern drive products. Since Kiekhaefer's departure from the company in 1970, Mercury Marine has come into its own while holding onto those qualities inherited from its founder, qualities that abhor failure. Jeffrey L. Rodengen, author of Iron Fist: The Lives of Carl Kiekhaefer, continues to chronicle the fascinating story of Mercury Marine. The Legend of Mercury Marine details the company's struggle and ultimate triumph in this comprehensive, lavishly illustrated 225-page work.

The long-awaited story of the marine industry's most celebrated personality, Carl Kiekhaefer, the industrial Caesar of the Mercury marine industry empire. "His obsession with success, and his legendary style made him the most extraordinary entrepreneur in the history of the industry."--Jack Reichert, Chairman, Brunswick Corporation.
