Susan Hill is a talented writer (I highly recommend her "The Woman in Black"), she does good work evoking DuMaurier's style, and the ending is, perhaps, inevitable. But the book bogged down by the middle, and I skimmed the last 75 pages, because the characters were just tiresome.

Susan Hill, a distinguished novelist writing at the top of her form, has imagined brilliantly, and wholly convincingly, precisely what happens after the de Winters journey back to England. Daphne du Maurier would approve; so too will innumerable readers of Rebecca, and the huge number of people who appreciate the joining of a great novelist to a wonderful story.

In a voice true to the original story, Hill's Mrs. de Winter chronicles Rebecca's continuing shadow on their life: a mysterious wreath bearing a card with the initial "R" is discovered near Beatrice's grave, and unwelcome visitors include Jack Favell, who has visions of blackmail, and Mrs. Danvers, who seeks revenge.

The sequel to Daphne Du Maurier's Rebecca returns to the world of Manderley and the haunting presence of Rebecca in the lives of Maxim de Winter and his young wife. 250,000 first printing. \$225,000 ad/promo.

Rebecca was Daphne du Maurier's most famous and best-loved novel. Countless readers wondered: what happened next? Out of fire-wracked ruins of Manderley, would love and renewal rise phoenix-like from the ashes of the embittered past? Married to the sophisticated, wordly-wise Maxim, the second Mrs de Winter's life should be happy and fulfilled. But the vengeful ghost of Rebecca, Maxim's first wife, continues to cast its long shadow over them. Back in England after an absence of over ten years, it seems as if happiness will at last be theirs. But the de Winters still have to reckon with two hate-consumed figures they once knew - both of whom have very long memories...

The compelling companion to Daphne du Maurier ' s celebrated classic, Rebecca, Sally Beauman ' s Rebecca ' s Tale begins more than 20 years after the death of Rebecca de Winter, and 20 years since Manderley, the de Winter family estate, was destroyed by fire. But Rebecca ' s tale is just beginning...

A novel by Susan Hill.

NOW A MAJOR TV DRAMA Late one summer evening, antiquarian bookseller Adam Snow is returning from a client visit when he takes a wrong turn. He stumbles across a derelict Edwardian house, and compelled by curiosity, approaches the door. Standing before the entrance, he feels the unmistakable sensation of a small cold hand creeping into his own, 'as if a child had taken hold of it'. At first he is merely puzzled by the odd incident but then begins to suffer attacks of fear and panic, and is visited by nightmares. He is determined to learn more 'about the house and its once-magnificent, now overgrown garden but when he does so, he receives further, increasingly sinister, visits from the small hand.

A mysterious depiction of masked revellers at the Venice carnival hangs in the college rooms of Oliver's old professor in Cambridge. On this cold winter's night, its eerie secret is revealed by the ageing don. The dark art of the Venetian scene, instead of imitating life, has the power to entrap it. To stare into the painting is to play dangerously with the unseen demons it hides, and become the victim of its macabre beauty ...

The classic ghost story from the author of The Mist in the Mirror: a chilling tale about a menacing spectre haunting a small English town. Now a major motion picture starring Daniel Radcliffe. Arthur Kipps is an up-and-coming London solicitor who is sent to Crythin Gifford—a faraway town in the windswept salt marshes beyond Nine Lives Causeway—to attend the funeral and settle the affairs of a client, Mrs. Alice Drablow of Eel Marsh House. Mrs. Drablow ' s house stands at the end of the causeway, wreathed in fog and mystery, but Kipps is unaware of the tragic secrets that lie hidden behind its sheltered windows. The routine business trip he anticipated quickly takes a horrifying turn when he finds himself haunted by a series of mysterious sounds and images—a rocking chair in a deserted nursery, the eerie sound of a pony and trap, a child ' s scream in the fog, and, most terrifying of all, a ghostly woman dressed all in black. Psychologically terrifying and deliciously eerie, The Woman in Black is a remarkable thriller of the first rate.
