Low production numbers combined with capable performance and cool and unique styling have increased coverage in magazines and at auctions, making these cars more valuable than ever before. Concours-restored AMC muscle cars routinely bring \$30,000 to \$65,000 in the collector car world, making a comprehensive restoration guide a must-have for any American Motors enthusiast. AMC Javelin, AMX, and Muscle Car Restoration 1968-1974 provides in-depth coverage of the decoding and documentation process of an AMC muscle car, primarily the popular Javelin and AMX models.
