An effective program for preparing to take the TOEFL (Test of English as a Foreign Language) exam, especially for Spanish speakers. Ideal for group or self -study. Answer key is included in this edition. An advanced grammar course, appropriate for pre-iBT, ITP paper-based TOEFL prep and English Teacher Training. Here, for the first time, a unique approach to preparing to take the TOEFL exam--especially for Spanish speakers. Focused on the Grammar section with five steps, this program also includes strategies for the Listening Comprehension section, guidelines for success in the Reading section, and expert tips and sample topics for the iBT Written Essay. Includes useful appendices for reference. To see useful Amazon book reviews, kindly refer to the listing for "TOEFL Prep for Spanish Speakers", the original book on which this title is based. For info. on all 12 titles in this series, visit www.5steptoeflprep.com.

"Thiru V.P. Kannan has brought out a nice manual covering all the aspects of grammar in a comprehensive manner with copious examples and adequate exercises. This book will be of immense help to the students ... deliberately made very simple to enhance the grasping of rural students" Dr. V. IRAI ANBU, I.A.S. "How we say something can be as important as what we say ... Ungrammatical communications lack clarity ... The book is indeed comprehensive ... Students will find English Grammar (Simple, Practical yet Comprehensive) very helpful as they work to improve their skill in English grammar. Dr. Carl Perrin, Ph. D., Lakewood, NJ, USA "Unlike the conventional books, the book is well structured with units, wholesome by themselves and arranged in a logical sequence ... a boon not only to students but also to learners of English language at all levels as the book is planned and designed in the most practical and natural way." Dr. S. SHANMUGIAH, M.A., Ph.D. Registrar, Tamil Nadu Open University, Chennai "I appreciate his (author's) initiative in working out a scheme of learning English that is interesting and easy to pursue ... it enables the learner to move from the basic to the advanced and achieve mastery by correct and consistent practice ... I commend the book to every teacher and learner." Prof. R. RAJA GOVINDASAMY, M.A., M.A. (USA) Principal, Thiagarajar College, Madurai "Each topic is dealt with utmost care ... I am confident that this book will prove to be an asset to students and teachers. It will also be a source of support and guidance for parents who wish to prepare their wards for the examination and also help them to develop their proficiency in English Grammar." Mrs. FELICIA AUGSTINE, M.A., M.Ed. Academic Supervisor, Dept. of English, SBOA School & Junior College, Chennai

The Anarchist's Guide to Grammar: "Banish the "rules" of grammar in the U.S.!" is the revolution called for by author Val Dumond. "Scary? Of course, but drastic measures must be taken. Just look at the state of language today! The time is now! Stand up and reclaim it!" "We've been taking U.S. language for granted," claims this long-time writer. We make several assumptions: 1) that we have a language called "Proper English"; 2) that a set of "rules" lies in some mysterious place, written by some mysterious authority; 3) that one must follow those "rules" to speak and write correctly. Not so! The time has arrived to banish what we call "rules" and expose the assumptions." Dumond asks: What would happen if we all spoke the language of our heritage? We would quickly learn the sound of the Tower of Babel - since US-language has come about by combining languages from (at least) 150 countries around the world. As immigrants enter the country, they bring with them new ideas, cultures, foods, music, and language. As they become settled, they combine their culture with US-ers, thus enriching all of us in the United States, including our language. In an amusing Introduction, Val explains how we have assumed there exists an incontrovertible set of grammar "rules" to be followed in order to speak proper, correct, good English. "We're not in England anymore!" she points out.

Oh yes, we started out with British "rules," but as we declared our independence, language changed, and continues to change. Do you really understand ordinary British English? Numerous pundits over time have drawn up what they consider the "rules" of grammar and forced them on their students. Yet, when those students run up against someone who studied a different set of "rules," confusion and doubt rear their heads. Must we in the U.S. speak "proper English" or do we have a language all our own? After clarifying the conundrum of US-language, Dumond offers guidelines to aid writers in determining what constitutes understandable language. Those guidelines don't depend on memorizing all the crazy names for the parts of language, but rather the guidelines focus on how those parts function. Nouns and pronouns become Things; adjectives and adverbs become Modifiers; punctuation becomes Rules of the Road - all presented in easily understood language, with examples to boot. Included in the guidelines are ways to decide which nouns to capitalize how to discern the difference between plural and possessive nouns how pronouns perform ways to vary word modifiers how to add modifying phrases and clauses use of the little words that serve as the glue to connect words into sentences how to use the dots, dashes, and curly cues we call punctuation. But she doesn't stop there. Writers will especially enjoy the freedom offered to create new words and put together sentences and paragraphs. She offers suggestions to use numbers and inclusive language, as well as offering four ways to improve spelling. The solution to the confusion of US-language seems so simple. Look at the "rules" that come close to your interpretation, then modify them to make them work for you. Set up Your Style Manual, rather than depend on style manuals put together according to some other group's interpretations. And she shows you how. All this is included in *The Anarchist's Guide to Grammar*: toss out the assumptions, clarify them, pick up some basic, helpful guidelines, and write with power and assurance. No longer will you need to ask, "What are the rules for writing Proper English?" At last, you'll understand why there aren't any. At last you can write your own guidelines.

Prisoner of the Mind - Spiritual Self-Improvement Personal Development We have the largest prison population in the world in America today, but how many men and women were locked up in their minds before they got to prison? *Prisoner of the Mind* by Jeff Hairston is much more than a self improvement book- it's a personal development tool that can help you overcome your fears and FINALLY live your life as God intended. "Prisoner of the Mind" by Jeff Hairston is a thought provoking book aimed at helping you find a spiritual balance in life and to break free of the prison of negative thoughts and emotions that your mind has created over the years. Jeff artfully guides you through the many aspects of life that plague our minds today intertwining important lessons with examples from his own life story. Fear is one of the most important emotions when experienced in the right way. It can help us in life threatening situations by keeping our mind on high alert. but what happens when fear comes into contact with the ego? That very same fear that is there to save you can also stop you from living a normal, healthy life -and in some cases even kill you! It's all about using the fear to your advantage and being consistent and persistent against it. Many of the issues plaguing our mind are created by past life events that are left unresolved. "Prisoner of the Mind" asks the important spiritual questions and expertly tackles negative personal issues to help you better understand and overcome the prison that your own mind had created. Break free from the personal prison that your own mind created - order your copy of "Prisoner of the Mind" by Jeff Hairston today!

Teachers, especially those in nursery and pre-primary schools, know that it takes specialized

learning aids to help children learn how to identify objects, develop eye-hand and fine motor coordination, improve attention span, and learn to focus on the activity in which they are participating. The aim of BEE CLEVER Activity Books Keeping these important learning factors in mind, a pre-school educator and counsellor has created a series of simple and stimulating activity books. These help develop the skills a child needs, plus contribute to the further development of the child's 'writing readiness'. Pallavi Dalal - the creator of BEE CLEVER Activity Books - has spent over 25 years working with pre-school children. She says, "There has been much thought, care, understanding, laughter and joy that has gone into creating these books. I can only hope that they will bring children many 'magical moments' of learning, and spending time with each other in a happy and relaxed frame of mind." Two Important Factors While planning any activity for children, two important principles of learning are always uppermost in her mind: 1. "I see and I remember." 2. "I do and I understand." She has designed these books to develop differentiating and logical thinking skills in children and evaluate their interests in certain areas, without making them feel like they are being 'tested'!

How BEE CLEVER books are DIFFERENT - Objects illustrated are those a child is generally familiar with. - Instructions can be read to a child without having to simplify them. - Illustrations are bold and clear for the child to see and work comfortably. - Accurate use of grammar, punctuation and spelling. - Each book in the series explains the value of doing that specific activity. - Simple 'Do's and Don'ts' create a 'win-win' situation for the child.

BEE CLEVER SERIES: - Colouring 1 - Colouring 2 - Join the Dots 1 - Join the Dots 2 Matching - Mazes 1 - Mazes 2 - Numbers 1 - Numbers 2 - Odd One Out - Opposites 1 - Opposites 2 - Pattern & Letter Writing 1 - Pattern & Letter Writing 2 - Phonics 1 - Phonics 2 - Shapes 1 - Shapes 2 - Story Sequence - What's Different? - What's Next? - What's Wrong? Illustrations by Pallavi Basu

The Insider's Guide to the Teacher Interview gives aspiring teachers a powerful "edge" in the teacher interview process. Drawing from their years of experience hiring teachers, authors, Bill and Mike lift the veil of secrecy and tell you exactly what it takes to land the teaching job of your dreams. This groundbreaking insider perspective delivers an affirming approach to getting an interview, writing cover letters and resumes, researching schools, and maximizing teaching portfolios. The guide is a unique resource offering a glimpse at what few candidates ever get to see: authentic documents being used by administrators across the nation to hire including resume screening tools, interview rubrics, written tasks, teaching demonstration scenarios, and much, much, more. Add to this their innovative Umbrella Approach™ to comfortably mastering any and all teaching interview questions, and these two educational insiders will quickly have you prepared to navigate anything that you encounter.
