American Headway is, as its title suggests, the American version of New Headway, a series written by John and Liz Soars. The original series (New Headway) has been revised in order to provide new features for American people. The greatest change in the series is using compact discs along with cassette tapes.

Notes with hints, suggestions, and 'possible problems' feature Photocopiable activities for every unit Answers to Grammar Reference exercises from the Student's Book Teacher's Resource Disc

Headway is for students who want to use English accurately and fluently, and to communicate with ease in both social and everyday situations. This latest addition to the Headway family offers the beginner and false beginner all the best features of the Headway package plus the newer features of 'Everyday English' sections, an integrated vocabulary syllabus, and revision and self-access sections after every four units.

A new Beginner edition from the world's most trusted ELT course.

The first four levels of a new video series to accompany the New Headway. It can be used as

an additional component to the New Headway, or as a supplement to any course at the appropriate level. Key Features Each level consists of six self-contained comedy stories looking at the lives and misadventures of four people in their twenties who share a house. The syllabus is closely linked to the New Headway. Each episode provides a natural context to consolidate the grammatical, functional and lexical areas covered by the course, and to develop listening skills. Key language is controlled and contextualized throughout. Each episode provides clear grammar and functional language, with an emphasis on developing communicative skills. The video is supported by an Activity Book for students and a Video Guide for teachers. Teacher's Book Teaching notes for each episode Help on using video in the classroom Cultural information Optional activities Answers to exercises where appropriate

This is a practical and imaginative addition to the New Headway. It helps students to express themselves clearly and confidently by training them in the key areas of pronunciation. There is practice of individual sounds, with a guide to suitable exercises for speakers of particular languages. There is a focus on lexical sets. Training is given in stress and intonation patterns for accurate, functional use. Help is provided with the features of connected speech.
