This coursebook is divided into 14 units with a language review at the end of each unit. Authentic texts, motivating topics and fun communication activities engage students of different ages and an extensive writing reference section includes model answers and develops writing skills.

The Coursebook is divided into 14 units with a language review at the end of each unit Authentic texts, motivating topics and fun communication activities engage students of different ages Graded texts and exam tasks allow students to become familiar with the exam format while building their confidence Extensive Writing Reference section including model answers develops writing skills Grammar reference provides information on all the key language points iTest CD ROM provides authentic exam practice with instant feedback allowing students to identify areas which require further practice

A variety of challenging, lively topics provide thorough training in exam skills and high-level language development. Each unit contains three double-page lessons ensuring flexibility, even pacing and progress. Interactive software, downloadable from a URL in the Student's Book, provides activities for practice of exam skills, grammar and vocabulary. (Mac users must pre-install Adobe Air and Java in order to run this software). Exercises and examples tackle areas that Proficiency students often find challenging. Audio for the Student's Book listening exercises is available as part of a separate Student's Book Pack, or separately.

Objective Proficiency Second edition provides official preparation for the revised 2013 Cambridge English: Proficiency exam, also known as Certificate of Proficiency in English (CPE). A variety of challenging, lively topics provide thorough training in exam skills and high-level language development. Each unit contains three double-page lessons ensuring flexibility, even pacing and progress. This motivating material is also suitable for high-level students keen to improve their general English. The Workbook without answers provides opportunities for further practice of new language and exam skills either at home or in the classroom. The CD contains the audio material for the Workbook listening tasks.

Objective Proficiency Second edition provides official preparation for the revised 2013 Cambridge English: Proficiency exam, also known as Certificate of Proficiency in English (CPE). A variety of challenging, lively topics provide thorough training in exam skills and high-level language development.
