Dream Hoarders sparked a national conversation on the dangerous separation between the upper middle class and everyone else. Now in paperback and newly updated for the age of Trump, Brookings Institution senior fellow Richard Reeves is

Download Free Our Kids The American Dream In

Continuing to challenge the class system in America. In America, everyone knows that the top 1 percent are the villains. The rest of us, the 99 percent—we are the good guys. Not so, argues Reeves. The real class divide is not between the upper class and the upper middle class: it is between the

perpetuate privilege to the benefit of their children. While many families believe this is just good parenting, it is actually hurting others by reducing their chances of securing these opportunities. There is a glass floor created for each affluent child helped by his or her wealthy, stable family.
