A mid-level worktext with readings and a handbook, Paragraphs and Essays provides an integrated approach to the writing process and the rhetorical modes typically covered in freshman composition classes. The Ninth Edition retains Brandon's friendly, informal tone, engaging exercises, and offbeat readings that encourage developmental students to persevere and become confident, competent writers. Detailed student examples illustrate each stage of Brandon's three-step approach to the writing process and reinforce key principles and model good writing. The chapter on reading-related writing appears at the beginning of the text to stress how reading other texts forms the basis for most college writing. Students learn about underlining, annotating, outlining and summarizing outside sources. A chapter on research guides students through the process of finding and analyzing sources, creating an outline, and writing an essay. Students can model their work on the annotated sample outline, essay, and bibliography included in this chapter. Paired readings in several chapters promote critical thinking and inspire students to respond in writing.

Focus on Writing: Paragraphs and Essays is a clear, inviting text that engages students visually, demonstrates concepts with color and highlighting, and offers students the support and coverage they need to write well in college. Focus on Writing offers the unique self-assessment tool TEST (Topic sentence, Evidence, Summary statement, and Transitions), which works clearly and simply to motivate students and empowers them to become capable writers and self-editors. In this revision, best-selling authors Laurie Kirzner and Stephen Mandell provide more support for moving from paragraph to essay, more step-by-step coverage of the writing process, and more diverse examples, exercises, and models, making the text both student-friendly and thorough.

Combining current knowledge of what works in teaching and learning with the most enduring philosophies of classical education, this book challenges readers to develop the skills, attitudes, knowledge, and habits of mind of strong writers.
