Pawn of Prophecy is the first book in a series that is split up into two different arcs, with five books in each arc. For those who are active readers of the fantasy subject, this is nothing. For new readers ten books might be a bit daunting.

The farm boy, Garion, begins a dangerous quest to recover the magic Orb and prevent the evil Torak from seizing power over the world

The conclusion of the Belgariad series sees Garion crowned as Overlord of the West, as in the East, the evil God Torak is about to awaken and challenge Garion's rule

Princess Ce'Nedra joins the young farm boy, Garion, in the struggle to find the magical Orb and defeat the power of an evil sorcerer

"BELGARIAD is exactly the kind of fantasy I like. It has magic, adventure, humor, mystery, and a certain delightful human insight." PIERS ANTHONY The master Sorcerer Belgarath and his daughter Polgara the arch-Sorceress were on the trail of the Orb, seeking to regain its saving power before the final disaster prophesized by the legends. And with them went Garion, a simple farm boy only months before, but now the focus of the struggle. He had never believed in sorcery and wanted no part of it. Yet with every league they traveled, the power grew in him, forcing him to acts of wizardry he could not accept.

Remembering a past time when the gods walked the lands among mortals, an ancient man known as the Old Wolf recounts the tale of his youth, during which he witnessed the strife that split the world in two

The company must track down Zandramas, who has stolen Garion's baby son and plans to use him in a plot to make Dark Destiny rule supreme, but their quest to halt an evil prophecy is challenged at every turn

Down below in Tacoma, the group around Dan Alders' brother had been held together by a mutual taste for beer, spirits and endless arguments - with a little lying and wife-stealing on the side. But now, high in the mountains on a test of endurance, jealousy is tearing friendships apart.

Garion regains the Orb and struggles to escape from the brutal Murgo soldiers and the deadly magic spells of Grolim Hierachs

An omnibus edition containing the three volumes of The Elenium trilogy chronicles the adventures and exploits of Sparhawk, Pandion Knight and Queen's Champion, as he risks everything to free young Queen Ehlanda from the dark spell that has ensorcelled her, in a collection that features The Diamond Throne, The Ruby Knight, and The Sapphire Rose. Original. 15,000 first printing.

Years after Sparhawk triumphed over the evil god Azash, Sparhawk and his queen must journey east with a handful of trusted companions, escorted by the giant Atan warriors.
