There has been a need for a comprehensive one-volume reference on the manufacture German sausages at home. The number of German sausages is mind boggling, over one thousand, so to get the reader started 186 recipes were chosen for their originality and historical value. Most of them are listed in the official German Guide to Meats and Meat Products - Leitsätze für Fleisch und Fleischerzeugnisse. This guide covers all types of German sausages such as fresh, scalded, smoked, liver and blood sausages, head-cheeses, salami, mettwurst, teewurst and sausages with filler material. It includes details like meat selection, processing steps, size of the casings and other requirements. The selection of recipes included in this book carries an enormous value as a study material and as a valuable resource on making sausages.

This adorable cookbook is a great gift for any cookie lover or cookie baker.- TGT

FUNNY. FRIGHTENING. TRUE. It happens to all of us: You're minding your own business, when some idiot informs you that guns are evil, the Prius will save the planet, or the rich have to finally start paying their fair share of taxes. Just go away! you think to yourself -- but they only become more obnoxious. Your heart rate quickens. You start to sweat. You can't get away. Your only hope is... ..this book. Glenn Beck, author of the #1 New York Times bestsellers An Inconvenient Book and Glenn Beck's Common Sense, has stumbled upon the secret formula to winning arguments against people with big mouths but small minds: knowing the facts. And this book is full of them. The next time your Idiot Friends tell you how gun control prevents gun violence, you'll tell them all about England's handgun ban (see page 53). When they tell you that we should copy the UK's health-care system, you'll recount the horrifying facts you read on page 244. And the next time an idiot tells you that vegetable prices will skyrocket without illegal workers, you'll stop saying "no, they won't" and you'll start saying, "actually, eliminating all illegal labor will cause us to spend just \$8 a year more on produce." (See page 139.) Idiots can't be identified through voting records, they can be found only by looking for people who hide behind stereotypes, embrace partisanship, and believe that bumper sticker slogans are a substitute for common sense. If you know someone who fits the bill, then Arguing with Idiots will help you silence them once and for all with the ultimate
